DIABETIC TERM PLAN II

Sub 8 HbA1c

A Non-Linked, Non-Participating, Individual,
Pure Risk Premium Life Insurance Plan.

Bajaj Allianz Life Diabetic Term Plan II Sub 8 HbA1c

Term insurance plan is a must-have for everybody, it provides protection to the family against the loss of income due to the demise of the earning member. However, we do have a large segment of the population who have been diagnosed with diabetes and find it very difficult to get a life cover due to their health condition. Due to this, most of the diabetics feel vulnerable with no protection cover to fulfil their responsibility of financially protecting their families in case they were not around.

Bajaj Allianz Life Diabetic Term Plan II Sub 8 HbA1c is a protection plan that offers term insurance cover to Type 2 diabetics and pre-diabetics by factoring in the nuances of their health conditions. The product empowers diabetics to ensure their families have the necessary financial resources to continue with their lives, in the absence of the breadwinner.

Key Advantages

- Term Plan exclusively designed for Type 2 diabetics (with HbA1c level ≤ 8) and pre-diabetics.
- Provides comprehensive financial security to your family.
- Health Management Services will also be provided through webinars, medical consultations to support our customers to manage their diabetes and general health
- Flexibility to choose from multiple premiums payment frequencies.
- Tax benefits available on what you pay & what your family receives, as per extant Income Tax Act.

Note:

HbA1c: Glycated haemoglobin: A haemoglobin A1C (HbA1C) test is a blood test that shows what your average blood sugar (glucose) level was over the past two to three months.

As per the Indian Council for Medical Research - Pre-diabetics have HbA1c level in the range of 5.7% to 6.4%; Diabetics have HbA1c level of 6.5% or above.

How does The Plan Work?

Step 1: Choose your Sum Assured

Decide on the level of protection by choosing the sum assured you need to safeguard your family's future.

Step 2: Choose your Policy Term (Policy Term and Premium Payment Term are equal under this product)

Select the period for which you want to get life insurance protection. You need to pay premiums throughout the policy term to continue your life cover.

Step 3: Choose your Premium Payment Frequency

Depending on your convenience you can choose to pay your premiums either monthly, quarterly, half-yearly or yearly.

Step 4: Answer the Health Questionnaire as per your health status.

Your premium will be based on your current age, gender, sum assured, HbA1c level, smoker status, health status, policy term, premium payment frequency, etc.

Key Benefits in detail

1. Death Benefit (Benefit payable on death of the Life Assured during the Policy Term)

On death of the life assured during the Policy Term, provided the policy is in-force, your nominee/legal heir will receive the Sum Assured on Death (as chosen by you at inception). The policy will terminate on death of the life assured.

Sum Assured on Death is defined as higher of

- a) 10 times Annualised Premium
- b) 105% of Total Premiums Paid till date of death
- c) Sum Assured

Total Premiums paid shall be the total of all premiums received, exclusive of taxes, extra premium, if any.

2. Maturity Benefit

Since this is a pure term insurance product, no benefit shall be payable on survival till maturity. The policy will terminate on the maturity date.

You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy.

Terms & Conditions

Free Look Period

There is a free look period of fifteen (15) days from the date of receipt of this Policy Document and a period of thirty (30) days in case of electronic Policies and Policies obtained through distance mode, for you to review the terms and conditions of the Policy and if you disagree to any of those terms & conditions, you have the option to return the Policy to us for cancellation, stating the reasons for the objection, and you shall be entitled to a refund of the Regular Premiums (excluding applicable taxes) paid, subject only to a deduction of a proportionate risk premium for the period of cover and the expenses incurred by us on medical examination and stamp duty charges.

Grace Period

If you have failed to make payment of the premium by the due date specified, you will be allowed a grace period of thirty (30) days for premium payment frequencies other than monthly mode and fifteen (15) days for monthly frequency to pay the due premium.

During the grace period, the life assured will be covered for the death benefit. On death during the Grace Period, the due-but-unpaid premium will be deducted from the benefit payable.

Non-Payment of Premiums

If you have not paid any due premium before the expiry of the grace period, then, your policy will lapse at the expiry of the grace period, and no benefit under the policy will be paid.

Revival

If your policy is lapsed due to non-payment of premiums after the grace period, you may revive the policy subject to the following conditions:

- a) The application for revival is made within five (5) years from the due date of the first unpaid premium, but before the maturity date
- b) The arrears of premiums (as at the inception or at the last revival or at the current revival, whichever is higher) together with interest, at such rate as the company may decide from time to time along with applicable taxes are paid. The current applicable revival interest is 10% p.a. compounded half-yearly.
- c) You, at your own expense, agree to undergo medical examination and furnish evidence of continuity of insurability.
- d) The revival of the policy may be on terms different from those applicable to the policy before it lapsed, based on the then prevailing Board approved underwriting policy of the company.
- e) The Company may revive or refuse to revive the policy, based on the Board approved underwriting guidelines. If the policy is refused revival based on the prevailing Board approved underwriting policy, the Company will refund the amount deposited for the purposes of revival of the policy.

- f) The revival will take effect only on it being specifically communicated to you by the Company.
- g) On revival, Sum Assured on Death under the Policy which prevailed before the date of latest lapse will be reinstated.

Note:

The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis at the beginning of each financial year. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Suicide Exclusion

In case of death of the life assured due to suicide, within 12 months from the date of commencement of risk or the date of latest revival of the policy, whichever is later, the Nominee or Beneficiary shall be entitled to receive 80% of the Total Premiums Paid as on the date of death, provided the policy is in force.

Loan
