Be Future Safe with Fortune Gain!

Key Advantages

Bajaj Allianz Life Fortune Gain is a non-participating, life, individual, Single Premium Unit-Linked savings plan. The key advantages of Bajaj Allianz Life Fortune Gain are as follows

- Up to 99.5% Premium allocation for Single Premium 10 lacs and above
- Loyalty Additions of 5.6% of the Single Premium depending on the Single Premium & policy term chosen
- Choice of nine (9) funds
- Option to make partial withdrawals from the funds
- Option to pay Top-up to the extent of the Single Premium paid.
- Option to decrease Sum Assured
- Systematic switching option to manage your investments better
- Options to take death & maturity benefit in installments (Settlement Option).

How Does the Plan Work?

In Bajaj Allianz Life Fortune Gain, the Premium paid by you, after applying the applicable Premium allocation rate, is invested in Investor Selectable Portfolio Strategy. The units are allocated at the prevailing unit price of the fund. The mortality charge and policy administration charge are deducted monthly through cancellation of units. Fund management charge is adjusted in the unit price.

Benefits Payable

Maturity Benefit

Under Bajaj Allianz Life Fortune Gain, the maturity benefit will be the Single Premium Fund Value plus Top Up Premium Fund Value, if any, both as on the maturity date, provided the policy is in-force. It will be payable on the survival of the life assured to the maturity date.

Death Benefit

In case of unfortunate death before the maturity date, provided the policy is in-force, the death benefit payable to the nominee as a lump-sum (subject to the Guaranteed Death Benefit*) is:

(i) The higher of the Prevailing Sum Assured% or Single Premium Fund Value PLUS (ii) The higher of Top Up Premium Sum Assured or Top-

Up Premium Fund Value, if any [All the above as on date of receipt of intimation of death]

*The guaranteed death benefit% applicable throughout the policy term is 105% of the \$Total Premiums paid including Top-up Premiums paid, if any, till the date of death.

‡Total Premiums paid shall be equal to Single Premium paid and Top-Up premiums paid till date

*The benefit shall be reduced to the extent of the partial withdrawals made from Single Premium fund during the two (2) year period immediately preceding the death of the life assured.

The partial withdrawal made from the top up premium fund shall not be deducted for this purpose.

Loyalty Additions

Your Policy will be entitled for loyalty additions as per the below table. The addition, expressed as a percentage of the Single Premium, will be added to the Single Premium Fund Value at the maturity date of your Policy.

Policy Term (years)	Single Premium (in ₹)	
	50,000 to 9,99,999	10,00,000 & above
7 to 9	Nil	Nil
10 to 30	Nil	5.6%

No loyalty addition is payable on any Top-up premium paid.

Surrender Benefit

You have the option to surrender your Policy at any time.

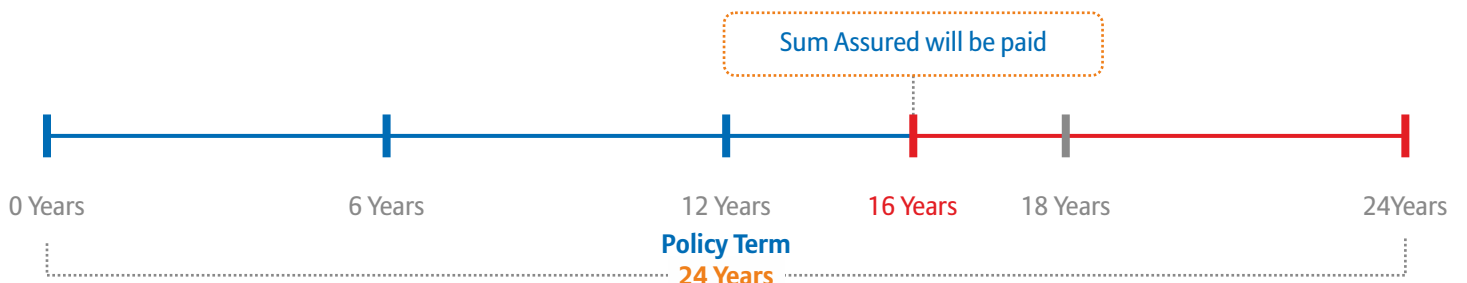

- On surrender during the lock-in period of first five years, the Single Premium Fund Value, less the discontinuance/surrender charge plus the Top up premium Fund Value, if any, as on the date of surrender, will be transferred to the discontinued life Policy fund (maintained by the company), and life cover shall cease immediately. The discontinuance value as at the end of the lock-in period will be available to you as surrender value.
- On surrender after the lock-in period of first five years, the surrender value available will be Single Premium Fund Value plus Top up premium Fund Value, if any, as on the date of surrender.
- The Policy shall thereafter terminate upon payment of the full surrender value by the company.

Force Ma'jeure Condition

- a) As per Regulation 33 & 34 of the IRDAI (Unit Linked Insurance Products) Regulations, 2019, the company will declare a 'Single' Unit Price or Net Asset Value (NAV) for each segregated fund on a day-to-day basis.
- b) The company specifies that, in the event of certain force majeure conditions, the declaration of Unit Price or NAV on a day-to-day basis may be deferred and could include other actions as a part of investment strategy (e.g. taking exposure of any Segregated Fund (SFIN) up to 100% in Money Market Instruments [as defined under Regulations 2(j) of the IRDAI (Investment) Regulations, 2016])
- c) The Company shall value the Funds (SFIN) on each day for which the financial markets are open. However, the Company may value the SFIN less frequently in extreme circumstances external to the Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company is certain that the valuation of SFIN can be resumed.
- d) The Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the policy including policy related payment shall be kept in abeyance.
- e) The Company shall continue to invest as per the fund mandates as described in Section 8. However, the Company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 2(j) of IRDAI (Investment) Regulations, 2016] in circumstances mentioned under points (a and b) above. The exposure to of the fund as per the fund mandates as described in Section 8 shall be reinstated within reasonable timelines once the force majeure situation ends.
- f) Some examples of such circumstances [in Sub-Section a) & Sub-Section b) above] are:
 - i) When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.
 - ii) When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing Policyholders..
 - iii) In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.
 - iv) In the event of any force majeure or disaster that affects the normal functioning of the Company.
In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.
- g) In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.

Premium Re-direction

Under the Investor Selectable Portfolio Strategy, you can choose to invest fully in any one fund or allocate your premiums into the nine various funds offered, in a proportion that suits your investment needs. The premium re-direction to any fund must be at least 5%.

The premium proportion to any fund in which the policyholder wishes to invest must be at least 5% of the premium. The company will reserve the right to revise the minimum proportion subject to obtaining clearance from the IRDAI

Switching between Funds- Only under the Investor Selectable Portfolio Strategy

- You have the flexibility to switch units between your investment funds according to your risk appetite and investment decisions, by intimating the Company.
- You can make unlimited free switches.
- The minimum switching amount is Rs. 5,000 or the value of units in the fund to be switched from, whichever is lower.
- The Company shall affect the switch by redeeming units from the fund to be switched from and allocating new units in the fund being switched to at their respective unit price.

Option to pay Top up Premium

You can make lump sum investments at any time, except during the last five Policy years, by paying Top up premiums to enhance your Fund Value.

- Top up premiums would be treated as a Single Premium.
- The minimum Top up premium is Rs. 5,000.
- The amount of Top up premium paid by you would determine your Top up Sum Assured on your life. The Top up Sum Assured will be 1.25 times of Top up premium paid
- At any point of time during the currency of your Policy, the total Top up premiums paid shall not exceed the Single Premium paid at that point of time.
- Each Top up premium paid by you will have a lock-in period of 5 (five) years and the lock in would apply from the date of payment of each Top up premium.
- The company reserves the right not to accept Top up premiums at any time and also to call upon and request for any information/documentation to verify the good health of the life assured and may require the life assured to undergo any medical examination for this purpose and may refuse to accept the Top up premium under the plan based on its board approved underwriting guidelines.

Option to Decrease Sum Assured

After the first Policy year, you will have a choice to reduce your Single Premium Sum Assured. Such a decrease can be done at any monthly due date, subject to the minimum prevailing allowed under the product. Miscellaneous charge, as mentioned in the Table of Charges given below, will be applicable for this option.

Settlement Option

Option to take Maturity Benefit in instalments -

- a. You will have the option to receive your Maturity Benefit in installments (payable yearly, half yearly, quarterly or monthly) spread over a maximum period of five (5) years
- b. The Policy monies will continue being invested in the same Fund(s) and in the same proportion as on the Maturity date. However, you have the option to switch fund(s)
- c. The first instalment will be payable on the Maturity Date
- d. The amount paid out to you in each installment will be the outstanding Single Premium Fund Value and Top Up Premium Fund Value, if any, as at that installment date divided by the number of outstanding installments.
- e. Installment payment will be made by redeeming units from the Funds at the unit price applicable on the installment date
- f. Investment risk during the settlement period will be borne by You
- g. During this period, in case of death of the Life Assured, the Death Benefit, which will be higher of 105% of Total Premiums paid or outstanding Fund Value, will be paid as a lumpsum to the nominee and the Policy will be terminated
- h. Rider covers will not be available
- i. No partial withdrawals are allowed during the settlement period
- j. Only fund management charge and mortality charge shall be applicable during the settlement period
- k. Alternatively, you will have an option to withdraw the Fund Value completely, anytime during the settlement period. The Fund Value will be calculated as the total number of outstanding units in the Policy multiplied by the unit price as on date of complete withdrawal

Option to take Death Benefit in instalments -

- a. In case of death of the Life Assured during the Policy term, the nominee will have the option to receive the Death Benefit in installments (payable yearly, half yearly, quarterly or monthly) spread over a maximum period of five (5) years
- b. The Death Benefit will be unitized in the same Fund(s) and in the same proportion as on the date of intimation of death. However, the nominee has the option to switch fund(s)
- c. The first instalment of the Death Benefit will be payable on the date of intimation of death
- d. Installment payment will be made by redeeming units from the Fund(s) at the unit price applicable on the installment date
- e. Investment risk during the settlement period will be borne by the nominee
- f. No risk cover or Rider covers will be available
- g. No partial withdrawals are allowed during the settlement period
- h. Only fund management charge shall be applicable during the settlement period
- i. Alternatively, the nominee will have an option to withdraw the Fund Value completely, anytime during the settlement period. The Fund Value will be calculated as the total number of outstanding units in the Policy multiplied by the unit price as on date of complete withdrawal

Systematic Switching Option (SSO)

This option provides you with a winning approach in volatile market situation to optimize returns. SSO can be opted only at inception. SSO shall be applicable for the first twelve months of your Policy. Your allocated Single Premium and Top-up premium, if any, paid at inception of your Policy will be allocated to Liquid Fund. However, Top-up premiums, if any, paid after commencement of your Policy will not have this option.

$1/x$ th of your Fund Value in the Liquid Fund shall be transferred from the Liquid Fund to fund(s) of your choice at the start of each monthly anniversary, free of charge, where x is number of months remaining till next Policy anniversary date.

SSO shall automatically be cancelled in case you make any switch subsequently. You can opt out of SSO by giving at least 15-days prior written notice to the Company before the next monthly anniversary.

Tax Benefits

Revision of Charges

After taking due approval from the Insurance Regulatory and Development Authority of India, the Company reserves the right to revise the above mentioned charges except the premium allocation charge and mortality charge which are guaranteed throughout the policy term:

- Fund Management Charge up to a maximum of 1.35% per annum of the NAV for all the funds except Discontinued Life Policy Fund and 0.50% p.a. for the Discontinued Life Policy Fund.
- Policy Administration Charge up to a maximum of Rs. 500 per month.
- Miscellaneous charge upto a maximum of Rs.500/- per transaction
- Switching charge up to maximum of Rs 500 per transaction
- Partial Withdrawal charge up to a maximum of Rs 500 per transaction

The Company will give a notice of three (3) months to the policyholders for any changes in charges. The Policyholder/Life Assured who does not agree with the modified charges shall be allowed to withdraw the units in the plans immediately or at the end of five policy years, whichever is later and terminate the Policy.

Termination

This Policy shall automatically terminate on the earlier occurrence of either of the following events:

- The units in the Policy are fully surrendered.
- On receipt of intimation of death of the Life Assured, at the Company's office, unless the Settlement Option has been opted.
- Upon maturity or at the end of the settlement period if opted so.
- Upon payment of discontinuance value.
- Upon expiry of the period of Settlement Option

Days of Grace

A grace period of 15 days is available for monthly frequency and 30 days for other frequencies.

Risks of Investment in the Units of the Plan

The Proposer/Life Assured should be aware that the investment in the units is subject to the following, amongst other risks and should fully understand the same before entering into any unit linked insurance contract with the Company.

- Unit Linked life insurance products are different from the traditional insurance products and are subject to the risk factors.
- The premium paid in unit linked life insurance policies are subject to investment risks associated with capital markets and the Unit Price of the units may go up or down based on the performance of the fund and factors influencing the capital market and the insured/policyholder is responsible for his/her decisions.
- Bajaj Allianz Life Insurance is only the name of the insurance company and Bajaj Allianz Life Fortune Gain is only the name of the plan and does not in any way indicate the quality of the Policy, its future prospects or returns.
- Please know the associated risks and the applicable charges from your Policy document.
- Equity Growth Fund II, Accelerator Mid-Cap Fund II, Asset Allocation Fund II, Bond Fund, Liquid Fund, Bluechip Equity Fund, Pure Stock Fund, Debt Plus Fund and Long Term Debt Solution Fund are the name of the funds offered currently with Bajaj Allianz Life Fortune Gain, and in any manner does not indicate the quality of the fund, and its future prospects or returns.
- The Equity Growth Fund II, Accelerator Mid-Cap Fund II, Asset Allocation Fund II, Bond Fund, Liquid Fund, Bluechip Equity Fund, Pure Stock Fund, Debt Plus fund and long term Debt solution fund do not offer a guaranteed or assured return.
- The investments in the Units are subject to market and other risks.
- All benefits payable under the Policy are subject to the tax laws and other financial enactments, as they exist from time to time.
- The past performance of the funds of the company is not necessarily an indication of the future performance of any of these funds.

Free Look Period

The policyholder has a free look period of fifteen (15) days from the date of receipt of the policy document and period of 30 days in case of electronic Policy and Policy obtained through distance mode, to review the terms and conditions of the policy and where the policyholder disagrees to any of those terms or conditions, he has the option to return the policy to the Company for cancellation, stating the reasons for his objection, then, he shall be entitled to a refund of the Single premium and any Top-Up Premium paid, subject only to a deduction of a proportionate risk premium for the period of cover and the expenses incurred on medical examination and stamp duty charges.

In addition to deductions above, the Company shall also be entitled to repurchase the Units at the Unit Price as on the date of cancellation.

Foreclosure

If the fund value under any policy after three policy year is lower than 1/10th of the Single Premium, the policy shall be foreclosed and any discontinuance value / surrender benefit shall be paid to the policyholder, as per the conditions in the surrender benefit section above. The implementation of this will ensure that some benefit is made available to the policyholder, which is fair to the policyholder.

Before foreclosure of the policy, the policyholder will be given the option to pay any premiums due under the policy or to pay top-up premium, as applicable.

Exclusion

Suicide Exclusion: In case of death due to suicide within 12 months from the date of commencement of policy, the nominee or beneficiary of the policyholder shall be entitled to the single premium fund value (1) and top up premium fund value (2), as available on the date of intimation of death. Any charges other than FMC or guarantee charge recovered subsequent to the date of death shall be added to the fund value as at the date of intimation of death

Definitions

- **Single Premium Fund Value:** is equal to the number of units pertaining to Single Premium under a Policy multiplied by the respective unit price on the relevant valuation date.
- **Top up Premium Fund Value:** is equal to the number of units pertaining to Top up premium under a Policy multiplied by the respective unit price on the relevant valuation date.
- **Fund Value:** The Fund Value is equal to the number of units under a Policy multiplied by the respective unit price on the relevant valuation date; i.e., equal to the total of the Single Premium Fund Value & any Top up premium Fund Value.
- **Unit Price:** The unit price of each fund is arrived at by dividing the Net Asset Value (NAV) of the fund by the number of units existing in the fund at the valuation date.

All requests received for any unit transaction till the cut-off time of a day shall be processed at the unit price of the same day. The requests received after the cut-off time of a day shall be processed at the unit price of the next business day. The request for unit transaction can be premium payment/surrender/partial withdrawal/death claim. Currently the cut-off time is 3.00pm for applicability of unit price for a particular day.

- **Discontinued Life Policy Fund:** is the fund maintained by the Company that is set aside and is constituted by the discontinuance Fund Value of the Discontinued Policies determined in accordance with the "IRDAI (Unit Linked Insurance Products) Regulations, 2019".

- **Discontinued Life Policy Fund Risk Profile** **Low** **SFIN: ULIF07026/03/13DISCONLIFE116**

On the discontinuance/surrender of the Policy before the lock-in period of five (5) Policy years, the Single Premium Fund Value less the discontinuance charge, plus the Top up premium Fund Value, if any, all as on the date of discontinuance of the Policy shall be moved to the Discontinued Life Policy Fund. The portfolio allocation of the fund is as given below.

Portfolio Allocation:

Money market instruments: 0% - 40%

Government securities : 60% - 100%

• **Discontinuance Value:**

1) The discontinuance value of the Policy will be the higher of

a) The Single Premium Fund Value, less the discontinuance/surrender charge, plus the Top up premium Fund Value, if any, all as on date of surrender accumulated at the rate of return earned on the Discontinued Life Policy Fund net of fund management charge (FMC) OR

b) The Single Premium Fund Value, less the discontinuance/surrender charge, plus the Top up Premium Fund Value, if any, all as on date of surrender accumulated at the guaranteed rate of investment return net of fund management charge (FMC). The current guaranteed rate of investment return is 4% p.a.

2) As per the "IRDAI (Unit Linked Insurance Products) Regulation, 2019", the current cap on FMC on the Discontinued Life Policy Fund is 0.50% per annum.

3) The FMC and the guaranteed rate of investment return as mentioned above, for the calculation of the discontinuance value may change from time to time as per the IRDAI guidelines.

• **Valuation Date:** We aim to value the funds on each day the financial markets are open. However, we may value the funds less frequently in extreme circumstances, where the values of assets are too uncertain. In such circumstances, we may defer the valuation of assets for up to 30 days until we feel that certainty as to the value of assets is resumed. The deferment of valuation of assets will be with prior consultation with the IRDAI.
