## How does the Plan work?

### Step 1: Choose your variant

Variant	Benefits				
	Death Benefit	Terminal Illness	ADB	WOP on ATPD/ TI	Return Of Premiums
Life Shield	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Life Shield Plus	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Life Shield ROP	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

The acronyms used stand for: (i) TI – Terminal Illness (ii) ATPD – Accidental Total Permanent Disability (iii) WOP – Waiver of Premium (iv) ADB- Accidental Death Benefit

The variant chosen at inception cannot be changed during the policy term.

## Step 2: Choose your Sum Assured

Decide on the level of protection by choosing the sum assured you need to safeguard your family's future.

In case if you have opted for Life Shield Plus Variant, you get to choose the ADB Sum Assured also, which is payable along with Death Benefit to your family in case of death due to accident.

## Step 3: Choose your Death Benefit Payment option

Select how your family will receive the Death Benefit in your absence–

- A one-time lump sum, or
- Partly as Lump sum & partly as monthly income for 5 / 10 / 20 / 30 / 40 years
- Monthly income for 5 / 10 / 20 / 30 / 40 years

## Step 4: Choose your Policy Term and the Premium Payment Term (as applicable)

Select the period for which you want to get life insurance protection and the period for which you want to pay the premium.

## Step 5: Choose your Premium Payment Frequency

Depending on your convenience you can decide the interval at which you would prefer to pay the premium during the premium payment term.

Your premium will be based on your current age, gender, sum assured, variant, death benefit payout option, policy term, premium payment term & frequency, discounts applicable etc.

## Key Benefits Explained

### Variant: Life Shield

- 1. Death Benefit** (Benefit payable on death of the Life Assured during the policy term)
  - **No Prior Terminal Illness Claim is made:** Your nominee/legal heir will receive the Sum Assured on Death.
  - **Prior Terminal Illness Claim has been made:** Your nominee/legal heir will receive the Prevailing Sum Assured on Death (i.e. Sum Assured on Death – Sum Assured on TI).

In case, Sum Assured = TI Sum Assured, no Death Benefit will be paid.  
The policy will terminate on payment of Death Benefit.
- 2. Terminal Illness Benefit** (Benefit payable in case the Life Assured is diagnosed with Terminal Illness during the policy term)
  - a) If the Sum Assured chosen is less than or equal to ₹2 crores (i.e. maximum TI Sum Assured),** We will pay the Sum Assured on TI and the policy will terminate  
Or,
  - b) If the Sum Assured chosen is greater than ₹2 crores (i.e. maximum TI Sum Assured),** we will pay ₹2 crores and the policy will continue with the balance Sum Assured, i.e. (Sum Assured on Death less than ₹2 crores) with the waiver of future premiums. This balance Sum Assured on Death will be payable on death of the Life Assured, and the policy will terminate on death of Life Assured.

Note: The sum assured will include any Life-Stage Upgrade sum assured under the policy. Terminal Illness Benefit is not an additional Benefit. It is an acceleration of Death Benefit and is included in the Sum Assured on Death.
- 3. WOP Benefit on ATPD/TI**

We will waive off any future premiums under the policy

  - a) If the Life Assured is diagnosed with Accidental Total Permanent Disability (ATPD),** the policy will continue for existing Death benefit & Terminal Illness Benefit.  
Or,
  - b) If the Life Assured is diagnosed with Terminal Illness (TI) & chosen Sum Assured is greater than ₹2 crores,** the policy will continue for remaining Death Benefit.

**Maturity Benefit** - Not applicable

## Other Features available with Bajaj Allianz Life eTouch II

### Early Exit Value (Available with Life Shield & Life Shield Plus variant only)

You will have an option to exit from the policy before its maturity & get back all the premiums you have paid, if all premiums due under the base policy are paid up-to-date and no prior claim has been taken in the policy. On opting for it, the higher of Early Exit Value or Termination Value will be paid in the Policy.

- The Early Exit Value will be equal to the Total Premiums\*\* Paid plus underwriting extra premium paid, both, under the base policy.

- ii) The Policy has to be in force at the time of availing this Early Exit Value.
- iii) The option can be exercised at any time during the first five (5) policy years immediately after the policyholder has attained age 60.
- iv) To exercise this option, the Life Assured must fulfil the following criteria: -
  - At inception of the policy, the Life Assured's age last birthday must be less than or equal to 50 years.
  - The policy term chosen at inception must be at least 35 years.
  - The age last birthday of the Life Assured at maturity of the policy must be at least 70 years.
- v) The Early Exit Value feature shall not be available if Life Stage Upgrade Sum Assured has been taken in the base policy.
- vi) On payment of Early Exit Value, the policy will be terminated.
- vii) No additional premiums are required to be paid to avail this option.

## Life Stage Upgrade (Available with Life Shield & Life Shield Plus variant )

Certain important events in life often call for an upgrade in one's needs & responsibilities. Bajaj Allianz Life eTouch II offers you an option to increase the Sum Assured during such key stages of your life.

Under Life Shield and Life Shield Plus, before attained age of 45 years, the policyholder will have the option to increase the original Sum Assured under the policy, on occurrence of the specific Life-Stage events mentioned below. The ADB sum assured will also increase in the same proportion to the base sum assured for Life Shield Plus variant. The maturity date of the policy shall remain same as that of Base Cover.

The key events & the increase in Sum Assured is as per the below table.

Event	Maximum % increase in Sum Assured	Maximum Additional Sum Assured Allowed
<b>Marriage</b>	50%	₹50 lakh
<b>Birth/Adoption of 1<sup>st</sup> child</b>	25%	₹25 lakh
<b>Birth/Adoption of 2<sup>nd</sup> child</b>	25%	₹25 lakh
<b>Home loan</b>	25%	₹50 lakh
<b>Education Loan for Child(ren)</b>	25%	₹25 lakh

At inception itself, the policyholder has to opt for the Life-Stage Upgrade option. The Life Stage Upgrade can be exercised within six (6) months of occurrence of the Life stage event, and the increase in Sum Assured will be effective from the next policy anniversary onwards, provided the policy is in-force & all due premiums under the policy are paid.

Due to the increase in Sum Assured, additional premium will be payable & this would depend on the variant, age at the time of Upgrade, remaining policy term, remaining premium payment term, Life-Stage sum assured taken & smoker category. Once a Life Stage Upgrade has been done, the total sum assured under the policy cannot be subsequently decreased during the policy term.

### Other conditions for Life Stage Upgrade:

- There should have been no claims availed under the policy at any time before the Life-Stage Upgrade is requested
- The Upgrade will be allowed provided the outstanding Policy Term and Premium Payment Term in the policy, at the time of Upgrade, are allowed in the product then. The outstanding Premium Payment Term at the time of Upgrade has to be at least five (5) years and outstanding policy term to be at least ten (10) years
- You will have to provide the documents as requested by the company to avail this Life Stage Upgrade  
Underwriting as per Board Approved Underwriting Policy shall be done at the time of opting for Life Stage Upgrade
- You can avail multiple Life Stage Upgrades, however the total increase in Sum Assured will be capped to 100% of the original Sum Assured.  
For example, if the Sum Assured chosen at inception is ₹1 crore, the maximum Sum Assured that can be taken as Life Stage Upgrade is ₹1 crore.
- For Life Shield Plus Variant, No Upgrade will be allowed which will lead to the total TI sum assured and/or ADB sum assured crossing the maximum ADB sum assured (respectively) under the product then.  
For example, if Sum Assured chosen at inception is ₹1.75 crore & ADB Sum Assured is 100% of base Sum Assured, then the maximum Sum Assured that can be taken as Life Stage Upgrade will be ₹25 lakh. (Since the maximum ADB Sum Assured in the product is ₹2 crore).

## Premium Holiday (Available with all the three variants)

Bajaj Allianz Life eTouch II offers a Premium Holiday option where, provided all premiums are paid up-to-date, you can skip paying premiums for 1, 2 or 3 years during the policy term (as per your choice). This can help you during a financial emergency like job loss, pay-cuts or sudden medical expenditure etc, when you can continue your policy without paying premiums for the year & keep your life cover intact.

During the Premium Holiday period, the policy will remain in-force with all applicable benefits, without the need of paying premiums.

You can select the number of Premium Holidays at inception. Once selected, the number of years of holidays (1/2/3) cannot be altered subsequently. The first Premium Holiday will be available after completion of five (5) policy years, provided the policy is in-force and all premiums are paid up-to-date.

### Other conditions for Premium Holiday:

- Premium Holidays will be available only if you have selected a Policy term and premium payment term of 20 years or more
- The duration of one premium holiday shall be a period of 12 policy months. The premium waived shall be the total premium payable during that year
- If the premium holidays chosen under the policy is more than one-year, then, the next premium holiday can be opted only after a period of five (5) policy years after the previous premium holiday year, provided the policy is in-force and all premiums are paid up-to-date then.
- You need to inform the company about your intention to exercise the premium holiday within the grace period. Thus, if a premium is unpaid with no prior information, then at the end of the grace period the policy will either lapse or become paid-up, as applicable.
- If the policyholder discontinues due-premium payment immediately after a premium holiday year, the revival period will be considered to start from the date of premium-due after premium holiday period is over.
- The premiums not received during the premium holiday will not be part of the Total Premiums Paid calculation.
- If any premium holiday benefit is opted and then not exercised voluntarily through-out the policy term, then, the company will waive the last one or two or three policy year premiums, depending on number of un-utilized premium holidays.
- The Life Stage Upgrade feature shall not be available if premium holiday has been opted in the policy.

## Death Benefit Payment option (Available with all the three variants)

At inception, you will have the option to choose how your nominee will receive the Death Benefit in any of the 2 ways mentioned below:

- a) 100% of the benefit in a lump-sum,
- b) X% of the benefit in a lump-sum and the remaining as monthly income instalments, where, X%= 10% to 90%
- c) 100% of the benefit as monthly income instalments.

- The choice and the percentage have to be chosen at inception of the policy itself.
- The instalments will be paid monthly throughout the instalment period of 5, 10, 20, 30 or 40 years, as chosen by You at policy inception.. The first monthly instalment will be due as on the date of death of the life assured.

### Note:

- i. Even after the instalments have commenced, the nominee will have the option to convert all future monthly instalments into a lump-sum, which will be calculated as the present value of future instalments at a discounted rate of the 5%
- ii. The TI Benefit & ADB Sum Assured will be paid as lump-sum only
- iii. For Life Shield and Life Shield Plus variant, if Life Stage Upgrade has been exercised, 100% of the Life Stage Upgrade Sum Assured will be paid as lump sum.

## Maturity Benefit in Instalments (under Variant 3)

At the Policy Commencement Date, the policyholder will have the option to take the Maturity Benefit in instalments. If opted for,

- (i) At Maturity, the Maturity Benefit payable shall be paid out in yearly instalments over the next five (5) years.
- (ii) The amount of each instalment will be [Maturity Benefit / 5] hiked up by 20% and will be paid out yearly, starting from the date of maturity.

## Auto Cover Continuance Benefit (Available with all the three variants)

You will have the option to defer the premiums due for a period of up to 12 months from the due date, while maintaining the full risk cover under the base plan and attached riders, if any. There is no additional premium applicable for this feature. In the event of a claim during this period, sum assured will be payable after deducting the unpaid premiums, if any, as on date of death or other insured event covered under base product and attached riders. If the claim is with respect to WOP on ATPD, outstanding premiums will not be recovered.

At the end of Auto Cover Continuance Benefit period, You will be required to pay the outstanding premium along with the next due premium. If the outstanding premium and the next due premium by the end of the grace period (for the next due premium) are not paid, the policy will be converted into a lapsed/paid-up policy, as applicable.

No additional premium is required to be paid for the option.

### Other conditions for Auto Cover Continuance Benefit:

- i) This option can be taken provided at least 3 policy years have been completed and provided all due premiums have been paid, and the policy is in-force.
- ii) You can avail this benefit multiple times during the premium payment term with a gap of at least 5 policy years from the expiry date of previous Auto Cover Continuance Benefit.  
E.g., You have opted for Auto Cover Continuance Benefit in the 5th policy year (fifth year premium is not paid), the next Auto Cover Continuance Benefit will be available to him from the 11th policy year beginning.
- iii) You can terminate or surrender the policy anytime even during the Auto Cover Continuance Benefit year.
- iv) You need to intimate the company 30 days (15 days in case of monthly mode) before exercising Auto Cover Continuance Benefit. If a premium is unpaid with no prior intimation, the policy, at the end of the grace period will be converted into a lapsed/paid-up policy, as applicable.
- v) The Auto Cover Continuance Benefit shall not be available during the last year of the premium paying term.
- vi) No interest shall be levied on the premium due during the Auto Cover Continuance Benefit period

## Health Management Services (Available with all the variants)

Provided you continue paying your due premiums on time, you will have the option to take Health Management Services such as medical second opinion, medical case management, medical consultation from the service providers registered with the company.

These wellness services can help you (life assured) to get correct diagnosis of a medical condition and to procure appropriate illness care.

For more details on these services, applicable terms & conditions please refer to the rider policy document available on company's website.

## Riders

You can enjoy extra coverage during the policy term by choosing the optional additional rider benefits at a nominal extra cost. The rider available with all variants under Bajaj Allianz Life eTouch II is:

1. Bajaj Allianz Life Family Protect Rider (UIN:116B056V01)
2. Bajaj Allianz Life New Critical Illness Benefit Rider (UIN: 116B058V01)

Please refer to respective rider sales literature or visit Company website or consult your "Insurance Consultant" for more details and eligibility conditions.

## Option to Change Premium Payment Frequency

You will have the option to change the prevailing premium payment frequency at any policy anniversary during the premium payment term, subject to the availability, then, of the premium payment frequency and the minimum premium allowed under the product then.

The modal premium for frequencies other than yearly premium frequency is arrived at by multiplying the annual premium (after applicable HSAR) by the premium payment frequency factors as given below:

Premium frequency	Monthly	Quarterly	Half yearly	Yearly
Frequency Factor	0.0875	0.26	0.51	1.00

## High Sum Assured Rebate (HSAR)

HSAR on premium will be offered to all policies with Sum Assured 1 crore and above.

## Preferential Premium Rates

Preferential Premium rates will be offered to non-tobacco users & to women, and premium discount will be offered for policies sourced through online mode.

## Premium Rebates/ Discounts (Applicable for all 3 variants)

### Loyalty Rebate (For existing Bajaj Allianz Life Insurance Company Individual customers)

The Loyalty rebate will be available to all individual policyholders of the company, who have matured policies or whose policy is in-force for at least three (3) months at the time of taking this policy.

The rebate is 1% of premium, through-out the premium paying term.

### One-time discount - Salary Rebate

A salary rebate of 5% of the first-year premium will be available for policyholders who are Salaried employees.

### Insurance for All Discount (For policyholders who are 'first time buyers' of life insurance policy)

### Online/ Direct Sales/ Web Aggregator Discount

For online, direct sales, web aggregator and ISNP sales, there is a rebate of 6% available on the first –year premium

### Staff Discount

The product is also available for our staff, wherein a further rebate of 4%(throughout the Premium Payment Term).

### SISO (Systematic In Systematic Out) Benefit

Under Variant 3 - Life Shield ROP, on opting for monthly mode of premium payment, only at policy inception there will be a SISO benefit available. The discount is 6% of premium (on the premium calculated post HSAR) throughout the premium paying term.

It is being offered to encourage policyholder participation/take-up and to make the Term product with ROP variant more affordable for the customers who opt monthly mode.

Premium Payment Mode	Discount (SISO Benefit)
Annual	NA
Semi Annual	NA
Quarterly	NA
Monthly	6%

SISO benefit is offered to encourage policyholder participation and to make the Term product with ROP variant more affordable for the customers who opt monthly mode.

Under Life Shield ROP variant, if SISO Benefit is opted then Online, Direct Sales, Web Aggregator and ISNP Discount will not be applicable for the policy.

## Termination Value / Surrender Value

We advise you to continue your policy and enjoy life coverage and other policy benefits. However, we understand that in certain circumstances you may want to surrender your policy.

**For Life Shield and Life Shield Plus variant (Termination Value):**

- a) Termination Value is payable only if the Premium Payment Term (PPT) is limited premium.  
Under Regular Premium payment option, no Termination Value shall be available.
- b) Under limited premium payment option:
  - During PPT – No Termination Value will be payable
  - Post Completion of PPT – Termination Value will be payable
- c) The Termination Value is equal to: [Termination factor X Total Premiums Paid]
- d) The Termination Value payable shall not be less than any Early Exit Value available under the Policy at that time. Termination factors are not guaranteed.

**For Life Shield ROP variant (Surrender Value):**

- a) Surrender Value is payable under the Policy, only if one (1) full years premiums have been paid.
- b) The Policy will acquire a Surrender Value (i.e. Special Surrender Value SSV) after completion of first policy year provided one full' year premium has been received. The Policy will acquire a Guaranteed Surrender Value provided two (2) full years' premiums have been paid.
- c) The Surrender Value payable will be higher of:
  - Guaranteed Surrender Value (GSV) where, GSV is equal to GSV factor multiplied by the Total Premiums Paid
  - Special Surrender Value (SSV)

The surrender value shall not exceed 100% of Total Premiums Paid till the date of surrender.

GSV factors are guaranteed throughout the Policy Term. The SSV factors mentioned above are not guaranteed, will be reviewed by the company annually.

The policy will terminate on the date of surrender.

For Termination and Surrender Value factors kindly visit the company website.

**Note: (for all the variants)**

a) If the TI Benefit has been paid and the Policy is continuing for Remaining Death Benefit, then, the Termination/ Surrender Value will be proportionally reduced for the benefit paid by a specific factor.

## Tax Benefits

Premium paid, Terminal Illness Benefit, Maturity Benefit, Early Exit Value and Death Benefit may be eligible for tax benefits as per extant Income Tax Act, subject to the provision stated therein and as amended from time to time. You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy.

## Terms & Conditions

### Free Look Period

You will have a free look period of thirty (30) days beginning from the date of receipt of the Policy Document, whether received electronically or otherwise, to review the terms and conditions of the policy. In the event You disagree to any of the policy terms or conditions, or otherwise and have not made any claim, you shall have the option to return the policy to Us for cancellation, stating the reasons for the same. Irrespective of the reasons mentioned, you shall be entitled to a refund of the premium paid subject only to a deduction of a proportionate risk premium for the period of cover and the expenses, if any, incurred by the insurer on medical examination of the proposer and stamp duty charges. The request for cancellation of the policy during free look period shall be processed and the premiums shall be refunded within 7 days of receipt of such request.

### Grace Period

If you have failed to make payment of the premium by the due date specified, you will be allowed a grace period of thirty (30) days for premium payment frequencies other than monthly and fifteen (15) days for monthly frequency to pay the due premium without any penalty or late fee.

During the grace period, the life assured will be covered for the contingent events & on occurrence of the contingent events during the grace period when the due premium up to the date of the contingent event was not paid, the same will be deducted from the benefit payable. On the occurrence of the contingent event during the Grace Period, the due-but-unpaid premium will be deducted from the benefit payable.

## Non-Payment of Premiums

### Life Shield Variant & Life Shield Plus Variant

If you have not paid any due premium before the expiry of the grace period, then, your policy will lapse at the expiry of the grace period. No paid up value is available under the policy.

### Life Shield ROP Variant

- If you have not paid one (1) full years' premiums, then policy will, immediately & automatically, lapse at the expiry of the grace period, and no benefit under the policy will be paid.
- If you have paid one (1) full years' premiums and subsequent premiums have not been paid (i.e. the policy which acquired a surrender value) the policy shall not lapse by reason of the non-payment of future premium, instead, your policy will be, immediately & automatically, converted to a paid-up policy at the expiry of the grace period.
  - o The Paid-up Sum Assured, Paid-up Sum Assured on Death and Paid-up Sum Assured on TI are obtained by multiplying the Sum Assured, Sum Assured on Death and Sum Assured on TI, respectively, by a corresponding factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the policy; and the paid-up sum assured on maturity will be based on Total Premiums Paid till date of paid-up.
  - o There is no paid-up value available with respect to WOP benefit.
  - o At no time, the Death Benefit under a paid-up policy will be less than 105% of the Total Premiums Paid till date of paid-up.

You will have the option to revive the lapsed/ paid-up policy as per the revival conditions under the policy.

## Revival

If your policy is lapsed or converted to a paid-up policy, you may revive the policy subject to the following conditions:

- a) An application for revival is made within five (5) years from the due date of the first unpaid premium (from the date at which the premium was due at the beginning of Auto Cover Continuance period, if applicable) but before the end of the policy term
- b) All the due premiums together with applicable interest, at such rate as decided by the Company from time to time, along with applicable taxes are paid. The current applicable revival interest is 9% p.a. compounded half-yearly.
- c) You, at your own expense, agree to undergo medical examination and provide evidence of continuity of insurability.
- d) The revival of the policy may be on terms different from those applicable to the policy before it lapsed/paid-up, based on prevailing board approved underwriting guidelines.
- e) The Company may revive or refuse to revive the policy, based on the Board approved underwriting guidelines. If the policy is refused revival based on the board approved underwriting guidelines, the Company will refund the amount deposited for the purposes of revival of the policy.
- f) The revival will only be effective when the Company has specifically communicated the same to You.
- g) On revival, you are entitled to receive all contractual benefits

*Note: The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.*

## Exclusions

### Suicide Exclusion
