# **GUIDELINES FOR FILLING UP THE eIA FORM**

- This form is meant for an individual to open an e Insurance Account (eIA).
- An eIA enables an individual the various types of insurance policies in e format in a single account.
- This will eliminate the need of holding the insurance policies in physical form.
- This account will also act as a single point of contact for the policyholders to update their demographic details with all the insurance companies from where the policies are acquired.

#### An individual can hold only single eIA.

**Authorised Representative:** An Authorised Representative is a person appointed by elA holder who can access elA in the event of the elA holder's demise or in his incapacity to access the elA. The Authorised Representative can only access the e-Insurance Account and to know the portfolio of insurance policies. The Authorised Representative may be different from the nominee. The elA holder has the right to change the Authorised Representative during the term of elA. elA holder should change the Authorised Representative on the Authorised representative's demise. Where an elA is operated by an Authorized Representative, CIRL may block the elA for any further transactions. In such case every transaction shall be routed through the respective insurers.
