- If you have paid at least first 2 years' premium, and subsequent premiums have not been paid.**
 - Your policy will be immediately and automatically converted to a paid-up policy at the expiry of the Grace Period and the sum assured, sum assured on death, Guaranteed Maturity Benefit, sum assured on maturity & the income payouts under the policy will be automatically reduced, respectively, to the paid-up sum assured, the paid-up sum assured on death, paid-up Guaranteed Maturity Benefit, paid-up sum assured on maturity and paid-up income payout arrived at by multiplying sum assured, sum assured on death, Guaranteed Maturity Benefit, sum assured on maturity and income payout, respectively, by a factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the policy.
 - if the paid-up income payout is less than ₹5000 per annum (or its equivalent in other income payout frequencies), then, policy will be terminated immediately and the present value of the outstanding income payout and any ROP Benefit will be paid as a lumpsum.
 - On death of the life assured in the paid-up policy** during the policy term, the paid-up sum assured on death will be paid and the policy will terminate immediately.
- You may revive your paid-up policy during the revival period of five (5) years from the due date of first unpaid premium, subject to the revival conditions under the policy.

Note: The present value would be at an interest rate benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). The interest rate will be equal to [30-year G-Sec yield PLUS 2%] rounded-up to the higher full interest rate. The interest rate applicable will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of Insurance Regulatory and Development Authority of India (IRDAI).

Additional Benefit under the Plan

Option to take Death Benefit Instalments in Lumpsum

The default option is Death benefit in monthly equated instalment. At any time, the policyholder or nominee (as applicable) will have the option to take the outstanding death benefit instalments in a lumpsum. The policyholder will be eligible to receive an amount equal to present value (PV) of the future installments as on the

date of such request.

Note- The interest rate to arrive at present value of future installments will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). The interest rate applicable for calculating the installments shall be equal to 5-year G-Sec plus 25 basis points. The interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of Insurance Regulatory and Development Authority of India (IRDAI).

• **Option to avail Income on date of your choice:**

You have an option to receive the regular guaranteed payouts at any special date of the year like birthday, wedding anniversary or any other date of your choice. The regular guaranteed payouts will be payable on policy anniversary if this option is not opted. The regular guaranteed payouts will be adjusted or provided in arrears depending upon the date selected which can be preponed by a maximum of 365 days within the Income Period. If this is opted, the last regular guaranteed payout will be paid before the maturity date.

The income payout will be discounted to the preponed date of income payout. The discount rate applicable shall be equal to 5-year G-Sec Yield p.a. plus a spread of 25 basis points subject to revision on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Note: The Sum of all premiums i.e., Return of Premium (ROP) will continue to be paid on the maturity date.

• **Option to take Death Benefit in annual instalments:**

You will have an option to take the Death Benefit in yearly instalments. This option once opted cannot be changed subsequently.

• Tax Benefits under the Plan

As per applicable tax laws as amended from time to time. You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy.

• Policy Loan

Provided the policy has acquired surrender value, during the policy term, the policyholder will have the option to take policy loan, subject to a maximum limit of 80% of the surrender value available under the policy. Loan interest rate applicable for the loan will be as decided by the company from time-to-time. The rate of interest for loan is 9% p.a. compounding half-yearly. On death, maturity or surrender, the outstanding policy loan plus interest, as on the date of death/maturity/ surrender, will be deducted from the death/maturity/surrender value payable. Each Survival Benefit will be adjusted against any outstanding loan plus interest.

For other than in-force or fully paid-up Policy: If, at any time (during the policy term), the outstanding policy loan and interest exceeds the surrender value, then, the company will inform the policyholder for payment of interest-due and/or full/part repayment with the notice period of 30-days and, at the end of notice period, the policy will be foreclosed and any surrender value will be adjusted towards the outstanding loan plus interest. For an in-force or fully paid-up Policy: The Policy shall not be foreclosed on the ground of outstanding Policy loan amount including interest exceeds Surrender Value.

Note: The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of Insurance Regulatory and Development Authority of India.
