You will not have the option to switch units or change the apportionment of premium to various funds, under this portfolio strategy.

You can opt out of this Portfolio Strategy at any subsequent policy anniversary by giving a written notice to the Company 30 days in advance.

In case of partial withdrawal, the withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. You will not have any choice to opt the fund from which the partial withdrawal of units is to be done.

c) **Trigger Based Portfolio Strategy:**

- This strategy helps you in 'Securing your Gains' and maintain your asset allocation.
- You can opt for this Portfolio Strategy at the commencement of the policy only
- Your premium will be allocated to two funds - Equity Growth Fund II, an equity oriented fund and Bond Fund, a debt oriented fund - in a 75%: 25% proportion. The fund allocation may subsequently get altered due to market movements
- We will re-balance or reallocate funds in the portfolio based on a pre-defined trigger event. The trigger event is defined as a 15% upward movement in Unit Price of Equity Growth Fund II, since the previous rebalancing or from the Unit Price at the inception of the policy, whichever is later
- On the occurrence of the trigger event, any value of units in Equity Growth Fund II which is in excess of three times the value of units in Bond Fund is considered as gains and is switched to the Liquid Fund – by redemption of appropriate units from Equity Growth Fund II
- Such rebalancing ensures that gains are capitalized and protected from future equity market fluctuations, while maintaining the asset allocation between Equity Growth Fund II and Bond Fund at 75%:25%
- You can opt out of this Portfolio Strategy at any subsequent policy anniversary by giving a written notice to the Company 30 days in advance

d) **Auto Transfer Portfolio Strategy:**

- This strategy helps you to invest your money in a systematic way by automatically transferring your money every month, from low risk fund to fund(s) of your choice
- You can opt for this Portfolio Strategy at the commencement of the policy or can switch to this Portfolio Strategy at any subsequent policy anniversary by giving a written notice to the Company 30 days in advance
- In this Portfolio Strategy, your premium will be allocated in Bond Fund and / or Liquid Fund, as specified by you
- At the start of each monthly anniversary of the policy, a proportion (as mentioned below) of Fund Value in the Bond Fund and/or Liquid Fund as on that date will be switched to the other Fund(s) (available in the product) as specified by you.
- The proportion to be switched will depend upon the number of outstanding months till the next premium due date. The proportion would be as mentioned below:

<table>
<thead>
<tr>
<th>Outstanding no. of months till the next premium due date</th>
<th>11</th>
<th>10</th>
<th>9</th>
<th>8</th>
<th>7</th>
<th>6</th>
<th>5</th>

<td>1/8</td>
<td>1/7</td>
<td>1/6</td>
<td>1/5</td>

Partial withdrawals will be paid by canceling the units at prevailing Unit Price

All partial withdrawals will be first made from eligible Top-up Premium Fund Value, if any, on First in First out (FIFO) basis. Once the eligible Top-up Premium Fund Value is exhausted, further partial withdrawals will be made from the Regular Premium Fund Value. For the purpose of partial withdrawals, each payment of Top-up Premium shall have a lock-in period of five years.

The maximum amount of partial withdrawal at any one time is 10% of the total premiums paid, including Top-up Premiums paid, if any, as on the withdrawal request date.

Partial withdrawal will not be permitted if the proposed withdrawal will result in the Regular Premium Fund Value falling below four (4) times of the Annual Premium.

A maximum of two partial withdrawals can be made in any one policy year.

The total amount withdrawn through-out the policy term cannot exceed 50% of the total premiums paid, including Top-up Premiums paid, if any.

The time interval between any two partial withdrawals cannot be less than 3 months.

A partial withdrawal shall be disallowed if it results in termination of the policy contract.

In case of minor life, partial withdrawal is allowed only after attaining age of 18 years.

In the Investor Selectable Portfolio Strategy, you will have the option to choose the fund(s) from which you want to make partial withdrawals.

In the Wheel of Life Portfolio Strategy, Trigger Based Portfolio Strategy or Auto Transfer Portfolio Strategy, withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. You will not have any choice to opt the fund from which the partial withdrawal of units is to be done.

The Company may vary the minimum/maximum value of units to be withdrawn, maximum number of withdrawals allowed during a policy year, maximum amount of total withdrawal allowed during the policy term, minimum time gap to maintain between two withdrawals and/or the minimum balance of value of units to be maintained after such partial withdrawals (subject to prior approval from the IRDAI) by giving you a written notice of three months in advance.

Miscellaneous charge, as mentioned in the Table of Charges given below, will be applicable for change in premium apportionment.

The Company will reserve the right to revise the minimum apportionment percentages upon giving written notice of not less than three months, subject to obtaining clearance from the IRDAI.

In case of Wheel of Life Portfolio Strategy, Trigger Based Portfolio Strategy or Auto Transfer Portfolio Strategy, you cannot change the apportionment. The apportionment of the allocated Regular Premium and Top-up premium will be as per the respective Portfolio Strategies.

Switching between funds - Only under the Investor Selectable Portfolio Strategy

You have the flexibility to switch units between your investment funds according to your risk appetite and investment decisions, by giving written notice to the Company.
