### Loyalty additions (LA):

We will contribute to your wealth creation in the form of allocating additional units to your policy from the end of the 10th policy year, every year till the end of the policy term.

The percentage of loyalty addition will depend upon the amount of premium you pay.

Premium	% of Regular Premium Fund Value
<1,00,000	0.50%
>=1,00,000	0.70%

The Loyalty Addition will be added into the Regular Premium Fund Value as a percentage of last 3 years average fund value.

- The amount of Loyalty Addition will be allocated in the funds in the same proportion of the fund values as at the date of addition. Unit Prices as on the date of Loyalty addition will be used for the unitization.
- In case the premiums are unpaid, and the policy is revived during the revival period by paying all due premiums, the loyalty additions due but not allocated will be added to the fund as on the date of revival.
- No Loyalty Additions will be available on the discontinuance or paid-up or surrender of the policy.
- There will be no Loyalty Addition with respect to any Top-up premium paid or any Top-up Premium Fund Value.

### Maturity Booster

At the end of the Policy Term, we will add Maturity Booster\* to your Fund Value to reward you for staying invested.

The maturity booster will be offered to you on maturity if you are an existing customer at the time of policy purchase and/or in case you opt for auto pay facility to pay your renewal premiums.

The amount of maturity booster will depend on the policy term opted by you:

Category/ policy term	10th year	15th year	20th year	25th year	30 years
<b>Auto pay</b>	0.25%	0.5%	0.5%	1%	1%
<b>Existing customer</b>	0.25%	0.5%	0.5%	1%	1%

\* the MB will be added as a percentage of last 3 years average fund value and only if all the premiums are paid up to date of maturity.

- No maturity Booster will be available on the discontinuance or paid-up of the policy.
- There will be no maturity booster with respect to any Top-up premium paid or any Top-up Premium Fund Value.

### Family Benefit

If any of your family member is an existing policyholder of Bajaj Allianz Life Insurance Company Limited, you will be entitled to a family benefit.

The benefit will be paid to you on maturity and will be added into the regular premium fund value as a percentage of the average of your previous three years daily regular premium fund value

The percentage of family benefit will depend upon the policy term opted by you:

Policy Term	%age family benefit
<20 years	0.5%
>=20 years	1%

There will not be any family benefit for Top-up premiums paid.

Family member shall be defined as spouse, children, brothers, sisters, grandchildren, parents, parents in-laws; and will be available to family members of existing customers including who have matured policies.

### Return of mortality charges (ROMC)

At the end of the Policy term, on the date of Maturity of your Policy, the total amount of Mortality charges deducted in respect of life cover provided throughout the Policy term, will be added back as ROMC, to the Fund Value. ROMC will be allocated to the fund(s) in the same proportion of the Fund Value as at the date of addition.

- ROMC is not applicable in case of a Surrendered, Discontinued or Paid-up Policy, and will be payable provided all due Regular Premiums under the Policy have been paid up to date
- ROMC will be excluding any extra Mortality charge & or Goods & Service Tax/any other applicable tax levied on the Mortality charge deducted, subject to changes in tax laws.
- There will not be any ROMC with respect to any Top-Up Premiums paid or Top-up Sum Assured.

### Other benefits in detail

#### Partial withdrawal

You will have an option to partially withdraw funds from your savings any time after completion of 5 policy year. You can make unlimited amount of partial withdrawal as long as the total amount of partial withdrawal does not exceed 10% of fund value in a policy year.

There will not be any charge that will be deducted on the partial withdrawal done.

Note:

- For the purpose of partial withdrawal, each payment of Top- Up premium shall have a lock-in period of five (5) years.
- Eligible Top Up premium units would be encashed first from the Top Up Premium Fund Value on First in First out (FIFO) basis before allowing partial withdrawals from the Regular Premium Fund Value
- The regular premium fund value should not fall below one (1) annualized premium, across all funds, after a partial withdrawal.
- The minimum amount of withdrawal at any one time is Rs. 1,000/-.
- A partial withdrawal shall not be allowed if it will result in foreclosure\* of the policy.
- In case of minor life, partial withdrawal is allowed after attaining age 18 years.
- In the Investor Selectable Portfolio Strategy, the policyholder will have the option to choose the fund he wants to do partial withdrawals from. In the Target asset allocation strategy and automatic transfer portfolio strategy, withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. The policyholder will not have any choice to opt the fund from which the partial withdrawal of units is to be done.

\*please refer to the foreclosure section for foreclosure condition

#### Decrease in Sum Assured

You can choose to reduce the Sum assured at any policy anniversary during the Policy Term as per your risk needs provided all due premiums till date have been paid and the policy is not in Discontinued mode.

- The Sum Assured can be reduced to the minimum Sum Assured available in the product at that current age
- Decrease in Sum Assured will not change the premium payable under the policy.
- Miscellaneous charges, as mentioned in the charge section, will be applicable.
- Once reduced, the death benefit payable will be based on the revised Sum Assured under the Policy. This will be referred to as the Prevailing Sum assured
- The Mortality Charge will be based on the Prevailing Sum Assured from the next Monthly Due Date

#### Top up

You can save your surplus money as top up premium into the policy, over and above the base premium.

- The minimum amount of top up premium is ₹5,000.
- The top up premium can be paid anytime during the policy except during the last 5 policy year.
- The top up premium will be treated as single premium and the sum assured of top up premium will be 1.25 times the top up premium.
- At any point of time during the currency of the contract, the total top up premiums paid shall not exceed the sum of the premiums paid at that point of time.
- Top-up premiums once paid cannot be withdrawn from the fund for a period of 5 years from the date of payment of the top up premium, except in case of complete surrender of the policy.
- Once death claim has been triggered, no Top-up premium would be allowed in the policy after the intimation of death.

### Option to change the premium payment term

- You have an option to change the premium payment term
- The change in premium payment term will be applicable only after a period of 5 years
- The increase or decrease in PPT is subject to the premium payment term and policy term combination available under the plan
- The option to change PPT can be exercised provided all due premiums have been paid till date

### Increase in policy term

You will have an option to increase the policy term anytime during the tenure of the policy

- Increase in policy term is subject to the allowed policy term under the product
- increase in policy term can be done maximum to 1 month before the end of the policy term currently running

### Option to reduce premium

You will have an option to reduce the prevailing premium under the policy after the completion of first five (5) policy term.

- The reduction can be up to a maximum percentage of 50% of the premium at the inception of the policy.
- Once reduced, the same cannot be increased, even to extent of the premium chosen at inception of the policy
- On receipt of the reduced premium, the prevailing sum assured under the policy will be correspondingly reduced.
- Miscellaneous charges, as mentioned in the charge section, will be applicable.

### Alteration of premium payment frequency

The premium payment frequency may be changed at any time as long as the existing & requested premium frequencies can be aligned and subject to minimum premium.

- Such change can be done by giving written notice to the Company thirty (30) days prior to the Policy Anniversary.
- Miscellaneous charges, as mentioned in the charge section, will be applicable.

### Settlement option

- The settlement option is available both for maturity benefit and death benefit.
- In case you opt for settlement, the benefit amount will be paid in instalments. The instalment frequency can be yearly, half yearly, quarterly, or monthly spread over a period of 5 years.
- If the nominee chooses the settlement option, in case of death, the Death Benefit will be unitised into Fund(s) in same proportion as it was on the date of intimation of death. In case of maturity, the policy monies continue to be invested in the same funds as at the date of maturity, with the option of switching between funds as available.
- The first instalment will be due on the maturity date or the date of intimation of death, as the case may be.
- The amount paid out in each instalment will be the outstanding Fund Value as at that instalment date divided by the number of outstanding instalments, hiked- up by 0.5%. Therefore, each instalment is equal to  $[\text{Fund Value} / \text{No. of Outstanding Instalment}] * 1.005$ .
- Instalment payments will be made by redeeming units from the funds at the unit price applicable on the instalment date.
- Risk cover during the settlement period:
  - In case of Death Benefit, no risk cover will be available during the period of the settlement option.
  - In the case of maturity benefit, the risk cover will be available, and the death benefit will be the higher of 105% of premium paid or outstanding regular premium fund value (1) plus top up premium fund value (2), if any. In case of death during the settlement period, the death benefit as on the date of intimation of death will be paid as a lumpsum to the nominee and the policy will terminate.
  - In both maturity and death, rider covers will not be available.
- No partial withdrawal is allowed during the subsistence of the period of the settlement option.
- Fund switches are allowed during the subsistence of the period of the settlement option.
- Fund management charge would be adjusted in unit price and mortality charge shall be deducted through the redemption of units from the funds during the period of the settlement option.
- Alternatively, the policyholder/nominee will have an option to withdraw the Regular Premium Fund Value (1) and any Top Up Premium Fund Value (2) completely, anytime during the period of settlement option. The fund value will be calculated as the total number of outstanding units in the policy multiplied by the unit price as on date of complete withdrawal.
- The investment risk in the investment portfolio during the settlement period shall be borne by the Policyholder.

- You have an option to choose one or more of the above mentioned funds in this strategy.
- You will have an option to switch units from one fund to another, by giving written notice to the Company.
- You can switch out of this Portfolio Strategy at any Policy Anniversary by giving a written notice to the Company 30 days in advance.

### Target Asset Allocation Strategy

This strategy enables you to choose an Asset Allocation that is best suited to your risk appetite and maintain it throughout the policy term.

- You can allocate the premium between any two funds available with this policy, in the proportion of your choice. The portfolio will be rebalanced every quarter to ensure that this asset allocation is maintained.
- The re-balancing of units shall be done on the last day of each policy quarter. If the last day of the quarter is a non-working day, then the next working day's NAV will be applicable.
- You can avail this option at inception or at any time later during the Policy Term
- You can switch out of this Portfolio Strategy at any Policy Anniversary by giving a written notice to the Company 30 days in advance.
- In case of Partial withdrawal, the withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal.

### Automatic Transfer Portfolio Strategy

This strategy helps you to save your money in a systematic way by automatically switching it every month from low-risk fund(s) to high risk/ moderate risk fund of your choice.

Under this portfolio strategy, you have to choose the following:

- The low risk fund (i.e. Bond Fund or Liquid Fund)
- The fund(s) to which the money will be transferred every month

The proportion to be switched will depend upon the no. of outstanding months till the next premium due date. The proportion would be mentioned as below:

Outstanding no. of Months till the next premium due date	11	10	9	8	7	6	5	4	3	2	10
Proportion of Fund Value	1/11	1/10	1/9	1/8	1/7	1/6	1/5	1/4	1/3	1/2	1

- Under this Portfolio Strategy, limited premium and Top Up Premiums if any, (after any premium allocation charge) will be allocated in the Bond Fund and/or Liquid Fund, as decided by the policyholder.
- You can opt for this portfolio strategy at the commencement of the policy or can switch to this strategy at any subsequent policy anniversary by giving a written notice to the company 30 days in advance
- At the start of each month of the policy, a proportion (as mentioned below) of fund value in the bond fund and/or liquid fund as on that date will be switched to the other fund/s (available in the product) as specified by you.
- You can switch out of this Portfolio Strategy at any Policy Anniversary by giving a written notice to the Company, 30 days in advance
- This strategy will not be available in case the premium are being paid on monthly basis.

### Change of Portfolio Strategy

You may, at any policy anniversary, change from the existing portfolio strategy to any other available strategy by giving a 30-day prior written notice, provided the policy is not in Discontinued Life Policy fund.

At the time of switching to the available portfolio strategies, the existing funds and the new premium paid will be allocated to the new portfolio strategy.

Miscellaneous charges, as mentioned in the charge section, will be applicable.

### Switching of funds

if you have opted for Investor Selectable Portfolio Strategy, you can opt to switch from the existing fund to any other available fund of your choice.

- You can switch units from one fund to another, by giving written notice to the company provided the funds are not in the discontinuance fund.
- The minimum switching amount is Rs. 5,000 or the value of units held by you in the fund to be switched from, whichever is lower.
- The company shall affect the switch by redeeming units from the fund to be switched from and allocating new units in the fund being switched to at their respective unit price.
- You can exercise unlimited free switches.

### Premium Apportionment

If you have opted for Investor selectable Portfolio Strategy,

- You have a choice to apportion the allocated premium into fourteen (14) various funds offered. You can specify the proportion of the limited and top up premium between the various funds you want to invest in.
- You may, at any time, change the proportion of limited and top up premium to the funds you wish to invest.
- The premium proportion to any fund in which you wish to invest must be at least 5% of the premium. The company will reserve the right to revise the minimum apportionment percentages upon giving written notice of not less than three months subject to obtaining clearance from the IRDAI.
- Miscellaneous charge, as mentioned in the charge section, will be applicable if the premium apportionment is altered.

### Additional Benefits through riders

You have an option to enhance your protection by opting for riders available in the product.

Discontinuance Charge for Top ups is Nil

### Miscellaneous charges

The miscellaneous charge would be charged at the rate of Rs.100/- per transaction.

### Benefit of investing longer

#### Reduction in Yield

The longer you save in the policy, the better can be the expected returns. The table below shows the Reduction in Yield (RIY) at 8% investment return for multiple Premium Payment and Policy Term with 100% investment in Equity Growth Fund II.

The lower the RIY, the better it is for you.

Premium payment term	Policy term	RIY stipulated by IRDAI <sup>1</sup>	Product RIY
10	15	2.25%	1.46%
15	20	2.25%	1.22%
20	25	2.25%	1.10%
25	30	2.25%	1.03%

<sup>1</sup>RIY stipulated as per IRDAI (unit linked insurance products) regulations 2019

The RIY has been calculated after applying all the charges (except GST, mortality charges and rider charges if any)  
The RIY has been calculated for a premium of 2.5L payable Annually.

#### Surrender

You can surrender the policy anytime during the term of the policy.

In case of surrender of policy during the first 5 policy year (lock in period), the Fund Value less the applicable discontinuance/surrender charge as on the date of surrender, will be transferred to the Discontinued Life Policy Fund, and all risk cover will be terminated immediately. The discontinuance/surrender charge will be applicable only to the Fund Value.

Post surrender of policy during the lock in period the option to revive the policy will not be available to such a surrendered policy. The discontinuance value as at the end of the lock-in period will be available as surrender value.

In case of surrender of policy post the lock in period, the surrender value available will be the Fund value as on the date of surrender.

The policy shall thereafter terminate upon payment of full surrender value by the company.

#### Premium discontinues & policy revival

- a) On Discontinuance of regular premiums due during the first five (5) policy years, the policy will be converted to a discontinued life policy (without any risk cover, any additional rider cover, Guaranteed Benefit, Loyalty Addition or Fund Booster) at the end of the grace period, and the regular premium fund value less the discontinuance/surrender charge along with top up premium fund value, if any, will be transferred to the discontinued life policy fund.
  - i) A notice will be sent by the company to the policyholder within three (3) months from the date of first unpaid premium, informing the policyholder of the status of the policy and requesting to revive the policy or, in writing, agree to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums, subject to revival conditions.
  - ii) If the policyholder has opted to revive the policy but has not revived the policy within the revival period, the discontinuance value shall be payable as the surrender benefit at the end of lock-in period of five (5) policy years or at the end of the revival period, whichever is later.
  - iii) If no communication is received from the policyholder with respect to the revival of the policy, the discontinuance value shall be payable as the surrender benefit at the end of lock-in period of five (5) policy years.
  - iv) At any time the policyholder has the option to completely withdraw from the policy without any risk cover, any additional rider cover, Guaranteed Benefit, Loyalty Addition or Fund Booster and receive the discontinuance value (as surrender benefit) at the end of the lock-in period of five (5) policy years or the date of surrender, whichever is later.
- b) On Discontinuance of regular premiums due after the lock-in period of five (5) policy years, the policy will be, immediately & automatically, converted to a paid-up policy at the end of the grace period, with risk cover under the base policy to the extent of the paid-up sum assured and without any rider cover, Guaranteed Benefit, Loyalty addition or Fund Booster. The paid-up sum assured will be the sum assured in the policy multiplied by the proportion of the number of Regular Premiums paid to the number of Regular Premiums payable in the policy. All charges as per the terms & conditions of the policy will be deducted.
  - i) A notice will be sent by the company to the policyholder within three (3) months from the date of first unpaid premium, informing the policyholder of the status of the policy and requesting him to exercise one of the options mentioned below.
    - (1) Option A: Revive the policy or, in writing, agree to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums and subject to revival conditions below, OR
    - (2) Option B: Intimate the company to completely withdraw from the policy without any risk cover or any additional rider cover, and receive the surrender benefit under the policy as on the date of receipt of such intimation.

### Force Majeure

- i) As per Regulation 33 and 34 of the IRDAI (LIP) Regulations, 2019, the company will declare a 'Single' Unit Price or Net Asset Value (NAV) for each segregated Fund on a day-to-day basis.
- ii) The company specifies that, in the event of certain force majeure conditions, the declaration of Unit Price or NAV on a day-to-day basis may be deferred and could include other actions as a part of investment strategy (e.g. taking exposure of any Segregated Fund (SFIN####) upto 100% in Money Market Instruments [as defined under Regulations 2(j) of IRDAI (Investment) Regulations, 2016])
- iii) The Company shall value the Funds (SFIN####) on each day for which the financial markets are open. However, the Company may value the SFIN#### less frequently in extreme circumstances external to the Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company is certain that the valuation of SFIN#### can be resumed.
- iv) The Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the policy including policy related payment shall be kept in abeyance.
- v) The Company shall continue to invest as per the Fund mandates as described in section 8.1 above. However, the Company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 2(j) of IRDAI (Investment) Regulations, 2016] in circumstances mentioned under sub-section iii) and sub-section iv) above. The exposure of the Fund as per the Fund mandates as described in section 8.1 above shall be reinstated within reasonable timelines once the force majeure situation ends.
- vi) Some examples of such circumstances [in sub-section iii) & sub-section iv) above] are:
  - When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.
  - When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing Policyholders.
  - In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.
  - In the event of any force majeure or disaster that affects the normal functioning of the Company.
- vii) In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.

### Revision of charges

After taking due approval from the Insurance Regulatory and Development Authority of India, the Company reserves the right to revise the above-mentioned charges except the premium allocation charge and mortality charge, which are guaranteed throughout the policy term.
