Section 45 of the Insurance Act, 1938, as amended from time to time – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding Policy not being called into question in terms of section 45 of the Insurance Act, 1938, as amended by The Insurance Laws (Amendment) Act, 2015 dated 20.03.2015 are as follows:

1. No Policy of life insurance shall be called in question on any ground whatsoever after expiry of three (3) years from (a) the Policy Commencement Date or (b) the Date of Commencement of Risk or (c) the date of latest revival of the Policy whichever is later.
2. On the ground of fraud, a Policy of life insurance may be called in question within three (3) years from (a) the Policy Commencement Date or (b) the Date of Commencement of Risk or (c) the date of latest revival of the Policy whichever is later.
For this, the Company should communicate in writing to the Company or legal representative or Nominee or assignees of Policyholder, as applicable, mentioning the ground and materials on which such decision is based.
3. Fraud means any of the following acts committed by Life Assured or Policyholder or by his agent, with the intent to deceive the Company or to induce the Company to issue the life insurance Policy:
 - a. The suggestion, as a fact of that which is not true and which the Life Assured or Policyholder does not believe to be true;
 - b. The active concealment of a fact by the Life Assured or Policyholder having knowledge or belief of the fact;
 - c. Any other act fitted to deceive; and
 - d. Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the Life Assured or Policyholder or his agent keeping silence to speak or silence is in itself equivalent to speak.
5. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Life Assured or Policyholder / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.
6. Life insurance Policy can be called in question within three (3) years on the ground that any statement of or suppression of a fact material to expectancy of life of the Life Assured or Policyholder was incorrectly made in the Proposal Form or other documents, basis which Policy was issued or revived. For this, the Company should communicate in writing to the Life Assured or Policyholder or legal representative or Nominee or assignees of Policyholder, as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium(s) collected on Policy till the date of repudiation shall be paid to the Policyholder or legal representative or Nominee or assignees of Policyholder, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the Company. The onus is on Company to show that if the Company had been aware of the said fact, no life insurance Policy would have been issued to the Policyholder.
9. The Company can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of Life Assured. So, this section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
