

POLICY DOCUMENT (Unit Gain Easy Pension plus –RP)

1. Definitions:

The following terms shall have the meaning assigned to them as follows:

“Account Value” is equal to the number of Units under this Policy multiplied by the price of units (Unit Value).

“Annual Due Date” means the date corresponding numerically with the date of commencement of the Policy in each year subsequent to the year of commencement of the Policy.

“Business Day” is the common working day of the Corporate Office of the Company.

“Cash Value”: The cash value of a Fund shall be the surrender value applied to the Account Value.

“Charges” means Fund management Charge, Fund Administration Charge, Initial & Other Charges, and Processing Charge.

“Company” refers to BAJAJ ALLIANZ LIFE INSURANCE COMPANY LIMITED.

“Current Assets” include cash balance, bank FD’s and CD’s, commercial papers, accrued investment income (not due and due but not received) and other receivables if any.

“Current Liabilities and Provisions” include brokerage and stamp duty payable, custodian and fund management charges payable and other payables, if any.

“Date of Commencement” as shown in the Policy Schedule page is the basis for determining the Annual Due Date, and the Monthly Due Date.

“Death Benefit” means the amount payable on death as defined in Section 3.1 below.

“Fund” means a separately identifiable investment-linked fund set up by the company for the purpose of ascertaining the policy moneys payable under this Policy. The Funds that are currently maintained by the Company are listed in the Schedule of Investment of Funds. Any fund created or closed will be added to or removed from the Schedule of Investment Funds accordingly.

“Head Office” refers to the principal place of business of BAJAJ ALLIANZ LIFE INSURANCE COMPANY LIMITED.

“Life Assured” means the person upon whose life this Policy is effected

“Monthly Due Date” means the date corresponding numerically with the date of the commencement of the Policy in each month subsequent to the month of commencement of the Policy.

“Net Asset Value” of the Fund means Market/Fair Value of the underlying Investments plus Current Assets less Current Liabilities and Provisions of the Fund.

“Number of Units” is a number by which the Net Asset Value of a Fund is notionally divided for the purposes of calculating the benefits of unit-linked policies issued by the company.

“Premium” means the initial premium and the subsequent premiums due and payable under the Policy.

“Policyholder” means the person within the meaning of Section 2(2) of the Insurance Act, 1938.

“Transaction charge” is an allowance used for calculating the price at which the unit holders will be joining/exiting the fund. This is an allowance for expenses that would be incurred in respect of either sale or purchase of the underlying securities for new unit linked transactions, such as, brokerage, stamp duty etc. This allowance is to protect the interests of existing unit holders by nullifying the effect of reduction in the unit price due to the transaction expenses as mentioned above.

“Unit Value” means the value per unit calculated in Rupees in accordance with the following formula:

$$\text{Unit Value} = \frac{\text{Market/Fair Value of the Investments plus Current Assets less Current Liabilities and Provision} \pm \text{Transaction Charge}}{\text{Number of Units outstanding under the relevant Fund}}$$

No Units shall be created in a Fund unless assets equivalent in value at the Price of such Units are added at the same time to the Fund. No Units shall be cancelled in a Fund unless assets equivalent in value at the Price of such Units are withdrawn at the same time from the Fund.

“Valuation Date” refers to the date when the assets of the Fund are valued. The day shall be determined by the Company.

“Vesting Date” refers to the date on which the units in the account will be cancelled to purchase an immediate annuity.

2. 2. Policy Description:

2.1 The Policy is a regular premium paying unit linked deferred annuity policy.

2.2 Being a unit-linked policy, the Policyholder/Life Assured has the option to allocate the Premiums paid by him between one or more of the Fund(s) for the purchase of the Units thereof.

2.3 The Policy enables the Policyholder/Life Assured to participate only in the investment performance of the Fund(s) to the extent of allocated units and does not in any way confer any right whatsoever on the Policyholder/Life Assured to otherwise share in the profits or surplus of the business of the Company.

3. Benefits Payable:

3.1 Benefits Payable:

a) (i) On the death of life assured before the date of vesting, the spouse will have the following options:

1. Receive the Account Value as of the valuation date (as defined in Valuation Date Clause) following the receipt of intimation of death of the Life Assured at the office of the company.

OR

2. If the age of spouse is above 45 years the following option is also available:

Receive in lump sum a part of the Account Value as of the valuation date (as defined in Valuation Date Clause) following the receipt of intimation of death of the Life Assured at the office of the company. The balance amount will be used to purchase an immediate annuity for the spouse from the company at the immediate annuity rates of the Company prevailing at that time or from any other institution in the open market as chosen by the spouse.

(ii) On the death of life assured after the date of vesting:

This will be governed by the conditions specified in the immediate annuity policy purchased on the life of the life assured as per b) 1 and b) 2 hereunder.

b) On the survival of the Life Assured to the date of vesting:

1. On the date of vesting, the Account Value as of the valuation date immediately after the date of vesting may be used to purchase an immediate annuity for the life assured from the company at the immediate annuity rates of the Company prevailing at that time or from any other institution in the open market as chosen by the life assured.

Or

2. The life assured may receive in lump sum up to a maximum of 1/3rd of the Account Value as of the valuation date immediately after the date of vesting on the vesting date. The balance amount will be used to purchase an immediate annuity for the life assured from the company at the immediate annuity rates of

the Company prevailing at that time or from any other institution in the open market as chosen by the life assured. The policyholder has to exercise this option at least 6 months before the vesting date.

c) Under a) and b) above if the immediate annuity is purchased from the company, the Account Value shall be increased by 2%.

3.2 Minimum Annuity Installment

The minimum annuity installment shall be Rupees one thousand (Rs.1000) irrespective of the mode. The immediate annuity may be paid in yearly, half-yearly, quarterly or in monthly mode. If the annuity installment under the mode chosen is below Rupees one thousand (Rs.1000) the mode will be converted to the lower frequency mode/s so that the installment is more than or equal to Rupees one thousand (Rs.1000). If after such conversion the yearly installment is still less than Rupees one thousand (Rs.1000) then the corresponding Account Value as of the valuation date immediately after the date of vesting will be utilized to purchase an immediate annuity from any other institution in the open market as chosen by the annuitant, or paid in lump sum to the individual entitled to the annuity, if permissible, subject to tax laws as prevailing at that time.

4. General Conditions

4.1 Age

Since the annuity amount payable will depend on the age of the annuitant, the policyholder must submit to the company satisfactory age proof of the life insured and his/her spouse.

4.2 Nomination (under section 39 of the Insurance Act 1938):

The nominee's right arises only if the Life Assured dies and the spouse is not alive. Where the nominee is a minor, Life assured shall also appoint a person to receive the money during the minority of the nominee. Nomination shall be made by an endorsement on the Policy and by communicating the same in writing to the Company. Any change of nomination shall also be communicated to the Company.

The Company does not express upon itself the validity or accept any responsibility for the registration of nomination or change in nomination.

5. Loans:

No loan is available under this Policy.

6. Premium:

6.1 Payment of Premiums:

- a) Regular Premiums are payable without any obligation on the company to issue a notice for the same.
- b) The frequency of the premium may be changed by written notice to the Company. Subject to the minimum premium requirements of the Company, regular premium may be paid on an annual, half-yearly,

quarterly or monthly basis. The monthly premiums will be allowed only under the Salary deduction schemes.

- c) **Top Up Premium:** The policyholder will have the option to pay at any due date, additional premiums. The additional premium amounts would be treated as single premium top-ups.
- d) Regular Premiums are payable in full on the dates and at the rate mentioned in the Policy Schedule. If a premium is not paid before payment of two full years premium (including top-up premiums), the policy shall lapse and no benefit shall be payable. Provided however, if the regular premium plus top-up premiums paid at any time within the first two years exceeds the regular premium payable for 2 years, the policy will acquire a surrender value.
- e) The policyholder will have the option to **increase the regular premium** amount at any time. The increased regular premium will be allocated at regular premium allocation rates.

6.2 Premium Allocation:

The nominal value of the Units is Rs.10/- each. Units are allocated to the Policy depending on the amount of premium paid, the allocation rate as set out below and the prevailing Price of each Unit. Such allocations may be made up to 1/10,000th of Unit or such other fraction as the Company may decide from time to time.

| Year of Premium payment | Allocation Percentage |
|-------------------------|-----------------------|
| 1 | 80% |
| 2 year onwards | 98% |

Top Ups are allocated at 98% of the top up premium paid.

7. Special Provisions:

Any special provisions subject to which this Policy has been entered into whether endorsed in the Policy or in any separate instrument shall be deemed to be part of the Policy and shall have effect accordingly.

8. Notices:

Any notice, direction or instruction to be given under this policy shall be in writing and delivered by hand, post, facsimile or E-mail to:

- (ii) Equity Plus Fund - at the rate of 1.5% per annum of the net assets on each Valuation Date.
- (iii) Debt Plus Fund – at the rate of 0.7% per annum of the net assets on each Valuation Date.
- (iv) Balanced Plus Fund – No specific charges as the charges are covered by the component funds.
- (v) Cash Plus Fund – at the rate of 0.7% per annum of the net assets on each Valuation Date.

The Fund Management Charge will be charged on each Valuation Date.

2. Fund Administration Charge

Fund administration charges per month per policy (charged monthly through cancellation of units) will be the amount specified in the Policy Schedule escalating at 5% per annum.

3. Initial & Other Charges

The unallocated premium shall be used to meet the expenses, such as commission to agent, marketing and distribution expenses, policy stamp fee and policy issue expenses.

4. Processing Charge

A processing charge may be charged in respect of the exercise of any of the options set out below, which may be allowed by the Company.

The options available are as under:

- (a). Switching across Funds: The first three switches in a policy year are free of cost. For subsequent switches over and above three free switches during any policy year the Company will charge a switching fee @ 1 % of the switch amount or Rs.100/- whichever is higher.
- (b). Increase in regular premium – No charge

5. Transaction charge

The transaction charges are as follows:

Equity Instruments: 0.5% but not exceeding 0.7% of the equity investments.

Debt Instruments: 0.1% but not exceeding 0.2% of the debt investments.

6. Recovery of Charges

- (i) The Fund Management charges will be priced in the Unit Value of the Fund. The Fund Administration Charge and Processing charges would be recovered by cancellation of Units at the Unit Value. In the event that the Units are held in more than one Fund, the cancellation of Units will be effected in the same proportion as the Unit Value of Units held in each Plan. In case the fund value in any fund value goes down to the extent that it is not sufficient to support the proportionate monthly charges, then the same shall be deducted from the fund value of the other funds.
- (ii) In the event the total Unit Value under the policy is insufficient to pay for such charges, the Policy shall be foreclosed as provided in Foreclosure Clause.

7. Change in rate of Charges

The Company reserves the right to change the Fund Management charge at any time with prior approval from the Insurance Regulatory and Development Authority upto a maximum of 1.75% per annum of the net assets for the Equity Plus Fund, 1.25% for the Debt Plus and Cash Plus funds and 1.5% for Equity Index Fund.

The company reserves the right to change the fund administration charges at any time with prior approval from the IRDA.

The Processing charges are also reviewable periodically.

The Company will give a notice of three months to the policyholders for any of the above-mentioned changes in charges. The Policyholder/Life Assured who does not agree with the modified charges shall be allowed to withdraw the units in the plans at the then prevailing unit value and terminate the Policy, subject to the surrender Penalty applicable, if any.

FUND VALUATION

The Price of the units of any Fund on any Valuation Date shall be equal to the Net Asset Value of the Fund +/- transaction charges divided by the number of Units in issue for that fund on that Valuation date.

The net asset value of each Fund specially created by the Company shall be determined by the Company.

The Net Asset Value of the Fund shall be equal to the following:

- a) The fair market value of all the assets held in the Fund valued at the last transacted market price at which those assets could be purchased or sold on the same business day as the valuation date, or where appropriate, such value as determined by the Company at its discretion after taking such independent advice as it deems necessary, add

- b) The amount which the Company shall determine as being net current assets (Current assets less current liabilities and provisions) on the same business day as the valuation Date. Fund Management charge as stipulated in the Schedule of Investment Funds calculated on the basis of frequency of unitisation is included in the liabilities.

In case the valuation day falls on a Holiday, then the exercise will be done the following working day.

The Funds current liabilities shall consist of accrued and unpaid investment expenses incurred by the Fund such as taxes and stamp duties, registration fees, legal auditing and custodian fees, fund accounting, stock brokers and estate agents commissions incurred in the sales or purchases of assets, insurance costs and expenses incurred in securing the Funds assets and protecting the value of investments and any other expenses incurred in the management and maintenance of the fund and incurred to ensure compliance with statutory and regulatory requirements relating to the Fund.

The expenses incurred in respect of the acquisition, realization, management, maintenance and valuation of the assets and investments and taxation liability will be deducted from the Fund.

"Under extraordinary circumstances such as extreme volatility of the value of assets, extended suspension of trading on the stock exchanges, natural calamities, riots and similar events Bajaj Allianz Life Insurance reserves the right to suspend canceling, allocating or switching of Units. The company also reserves the right to change the formula for calculating Net Asset Value under these circumstances. These changes will be made subject to approval from the insurance Regulatory and Development Authority (IRDA) or as per norms laid down by IRDA from time to time."

CREATION OF UNITS

Units in any of the Funds of the company may be created only if there is, added to that Fund assets equal in value to the value of the Units created.

In the event of premiums and applications being received and approved at the authorized Office of the company before the end of office hours one working day prior to the Valuation Date, the number of Units created shall be determined by reference to the Unit Price on that Valuation Date. The premiums received would mean clear funds available.

In the event of premiums and application being received and approved at the authorized office of the Company after the end of office hours one working day prior to the Valuation Date, the numbers of Units created shall be determined by reference to the Unit Price on the next valuation Date following that Valuation Date.

Notwithstanding anything herein contained, the Company reserves the right at any time and from time to time to change the time by which premiums have to be

received and accepted for the purpose of determining the Unit Price to be used for calculating the number of Units to be created. The company shall notify the policyholder of such a change.

OPTIONS

Whilst the Policy is in force, the policyholder may, subject to the approval of the company, exercise any of the following options by using the prescribed application form and meeting the conditions set out therein;

1) Switching

Transfer or “switch” any of the Units in a particular Fund to another Fund or some other new investment linked fund which may have been established by the Company provided the minimum switching amount is Rs.5000 or the fund value whichever is lower; such “switch” will be effected by the cancellation of the Units to be “switched” and the creation of new Units in the Fund being “switched” to. The Units purchased, shall be determined by references to the Unit Price of the respective Funds established on the Valuation Date following the date such request was received and accepted by the Head Office of the Company. The Policyholder can exercise three free switches during each policy year. For subsequent switches over and above three free switches during any policy year, Company will charge a switching fee @ 1 % of the switch amount or Rs.100/- whichever is higher.

2) Withdrawal of units

Provided regular premiums (including top ups) have been paid for 3 full years, withdrawals through complete surrender of units are allowed after two years from commencement. The surrender will be allowed as specified in (3) below.

In the event a request for cancellation of Units is received and accepted at the authorized Office of the Company before the close of office hours one working day before the Valuation Date, the number of Units to be cancelled shall be determined by reference to the Unit Price on that Valuation Date.

In the event a request for cancellation of Units is received and accepted at the authorized Office of the company after the close of office hours one working day before the Valuation Date, the number of Units to be cancelled shall be determined by reference to the Unit Price on the Valuation Date next following that Valuation Date.

Notwithstanding anything herein contained, the Company reserves the right at any time and from time to time to change the time by which requests for cancellation of Units have to be received and accepted for the purpose of determining the Unit Price to be used for calculating the number of Units to be cancelled. The Company shall notify the policyholder in case of such a change.

3) Surrender

The Surrender Value of the policy will be equal to the value of the units calculated in the same manner as if the Units are to be cancelled subject to surrender penalty as shown below. The policy shall thereafter terminate upon payment of the full surrender value by the company. The policy will

acquire a surrender value after 2 years of commencement provided at least two full year's regular premiums (including top-up premiums) have been paid.

Surrender Penalties

| No of years' premium paid | Surrender Penalty |
|----------------------------------|--------------------------|
| 1 | 100% |
| 2 | 50% |
| 3 | 10% |
| 4 | 5% |
| 5 | 2% |
| 6 and above | 0% |

4) Increase in Regular Premium

The policyholder will have the option to **increase the regular premium** amount at any time. The increased regular premium will be allocated at regular premium allocation rates.

5) Premium apportionment:

The Policyholder may at any policy anniversary request in writing to change the apportionment percentage of his/her premium to the Fund he/she wishes to invest in. However, the investments in the Cash Plus Fund should not exceed 20%. This request should be received at the company's office at least 15 days prior to the policy anniversary date.

The premium apportionment to a Fund in which the policyholder wishes to invest must be at least 5% of the Premium. The Company reserves the right to revise the above minimum apportionment percentage upon giving written notice of not less than three (3) months subject to obtaining clearance from the IRDA.

The company shall notify the Policyholder accordingly of the approval or otherwise of the exercise of any of the aforesaid options.

NON-PARTICIPATION IN PROFIT

This Policy shall participate only in the performance of the underlying funds.

REVIVAL CONDITIONS

This Policy may be revived with the consent of the Company within five years from the date the Policy has lapsed subject to payment of at least one full year's premium (or the sum of the outstanding instalments, if lower).

Provided always the allocation rate shall continue from the last allocation where it last stopped with the corresponding allocation rate and any revival shall only cover the loss or insured event which occurs after the revival date.

TERMINATION CONDITIONS

This Policy shall automatically terminate on the happening of the following events:

1. The units in the policy are fully surrendered
Or
2. If the Account value is not sufficient to support the Cost of Insurance and all the other Charges,
whichever event occurs first.

NEW FUNDS:

The Company may establish new funds from time to time and the Policyholder/Life Assured shall be notified of the establishment of such new funds. The company may offer the Policyholder/Life Assured the option to switch or direct premium to those funds at such price and subject to such terms and conditions as may be imposed by the Company at that time. Switching between the existing funds is subject to the terms and Conditions detailed in “OPTIONS clause” herein.

INVESTMENT OF THE FUNDS:

The Company shall select the investments, including derivatives and units of mutual funds, by each fund at its sole discretion subject to the investment objectives of the respective fund and the IRDA Regulations in that behalf. All assets relating to the fund shall be and shall remain in the absolute beneficial ownership of the company. There is no trust created, whether express or implied, by the company in respect of the investments in favour of the Policyholder/Life Assured/Assignee/Nominee of the Policy or any other person.

FUND CLOSURE:

Although the funds are open ended, the Company may, in its sole discretion close any of the funds on the happening of any event, which in the sole opinion of the company required the said fund to be closed. The Policyholder/Life Assured shall be given at least three months prior written notice of the Company’s intention to close any of the funds and on and from the date of such closure, the Company shall cease to issue, redeem and cancel Units of the said fund and cease to carry on business activities in respect of the said fund. In such an event if the Units are not withdrawn or switched to another fund by the Policyholder/Life Assured, the company will switch the said units to any another fund at its sole discretion. However no fee would be charged for switching to another fund in the event of such closure of plans.

RISKS OF INVESTMENT IN THE UNITS OF THE FUNDS:

The Policyholder/Life Assured is aware that the investment in the Units is subject to the following, amongst others, risks and agrees that he is making the investment in the Units with full knowledge of the same.

- 1) Unit Linked Policy is only the name of the Policy and does not in any way indicate the quality of the policy, its future prospects or returns.
- 2) Equity Index Fund, Equity Plus Fund, Balanced Plus Fund, Debt Plus Fund and Cash Plus Fund are the names of the funds offered currently with Bajaj Allianz UnitGain Easy Pension plus, and in any manner does not indicate the quality of the respective funds, their future prospects or returns.
- 3) The investments in the Units are subject to market and other risks and there can be no assurance that the objectives of any of the funds will be achieved.

- 4) The price of units of each fund can go up or down depending on the factors and forces affecting the financial and debt markets from time to time and may also be affected by changes in the general level of interest rates.
- 5) The Equity Index, Equity Plus, Debt Plus, Cash Plus and Balanced Plus funds do not offer a guaranteed or assured return.
- 6) All benefits payable under the Policy are subject to the tax laws and other financial enactments, as they exist from time to time.
- 7) The past performance of other funds of the company is not necessarily indicative of the future performance of any of these funds.
