## Benefits Payable Under “wealth Plus” & “wealth Plus Care” Variants

### Surrender

You have the option to surrender your policy at any time.

- i. On surrender during the lock-in period of first 5 years of your policy, the Fund Value less the discontinuance/ surrender charge, as on the date of surrender, will be transferred to the Discontinued Life Policy fund (maintained by the Company), and the risk cover under the policy shall cease. You will not have the option to revive such a surrendered policy. The discontinuance value as at the end of the lock-in period will be paid to you as surrender benefit. The discontinuance/ surrender charge will be applicable only to the Regular Premium Fund Value.
- ii. On surrender after the lock-in period of first 5 policy years, the surrender benefit available will be the Fund Value, as on the date of surrender.
- iii. Under the “Wealth Plus” variant, if waiver of premium is opted and has already been triggered under the policy, then, on termination of policy, the present value of future waiver of premium installments, discounted at 4% p.a., shall be paid.

### Loyalty Additions

1) The Company shall allocate Loyalty Additions to the Regular Premium Fund Value as percentage of one Annualized Premium at the end of every 5<sup>th</sup> policy year starting from the 10<sup>th</sup> policy year, provided all due regular premiums have been paid up to date. The Loyalty Additions are below:

At the end of Policy Year	Loyalty Additions (% of one Annualized Premium)
10	15%
15	20%
20	25%
25	30%

2) In case the premium(s) are un-paid and the policy is revived during the revival period by paying all due premiums, the Loyalty Additions due-but-not-allotted during the period the Policy was in Discontinuance will be added to the fund as on the date of revival.

3) Amount of Loyalty Additions will be allocated in funds in the same proportion of the Fund Value as at the date of addition.

There will not be any Loyalty Additions for Top-up premium paid. Loyalty Additions will not be paid for a Discontinued / Paid-up policy.

## Fund Booster

Fund Booster will be added to the Regular Premium Fund Value at maturity, provided all due regular premiums have been paid up to the date of the allocation of Fund Booster. The Fund Booster (as % of one Annualized premium) are as below –

Fund Booster (% of one Annualized Premium) for Policy Term	Premium Payment Term			
	5Years	7Years	10Years	15Years
10 Years	5%	7%	10%	NA
15 Years & Above	30%	42%	60%	90%

There will not be any Fund Booster for Top-up premium paid. Fund Booster will not be paid for a Lapsed / Paid-up / Discontinued policy

## Claw-back Additions

Non-zero positive claw back additions, if any, will be added to the Regular Premium Fund Value in order to meet the maximum reduction in yield criteria [as stipulated in Sub-regulation 37 of IRDA (Linked Insurance Products) Regulations, 2013] at the end of each policy year starting from the end of the fifth policy year.

<sup>1</sup>The maximum investment in mutual funds shall be governed by the relevant IRDA guidelines.

- You can choose one or more investment funds within the Investor selectable Portfolio Strategy.
- You have the option to switch units from one fund to another, by giving written notice to the company.
- You can switch out of this Portfolio Strategy at any policy anniversary by giving a written notice to the Company 30 days in advance.

### b) Wheel of Life Portfolio Strategy:

- This provides you with a “Years to maturity” based portfolio management.
- You can opt for this Portfolio Strategy at the commencement of the policy or can switch to this Portfolio Strategy at any subsequent policy anniversary by giving a written notice to the Company 30 days in advance.
- If this Portfolio Strategy is opted, your Regular Premium and the top up premium, if any, would be allocated in the Funds mentioned (namely Bluechip Equity Fund, Equity Growth Fund II, Accelerator Mid-Cap Fund II, Bond Fund & Liquid Fund) in the proportion as mentioned in the table below, depending on the outstanding years to maturity.
- On each policy anniversary, we will reallocate your Fund Value among various funds in the proportion based on your outstanding years to maturity.
- The regular/ limited premium and top up premium, if any, paid in that particular policy year will also be allocated in the same proportion.
- This will ensure that a balance is maintained between your “years to maturity” and level of risk on your investments, to optimize the returns
- The proportion of allocation/reallocation of your Regular Premium/ Fund Value into various funds based on your outstanding years to maturity will be as follows:

Years to Maturity	Proportion in following three Funds (%)					
	Bluechip Equity Fund	Equity Growth Fund II	Accelerator Mid-Cap Fund II	Total	Bond Fund	Liquid Fund

3	20	0	0	20	65	15
2	10	0	0	10	70	20
1	0	0	0	0	80	20

- You will not have the option to switch units or change the apportionment of premium to various funds, under this portfolio strategy.
- You can switch out of this portfolio strategy at any policy anniversary by giving a written notice to the Company 30 days in advance.
- In case of partial withdrawal, the withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. You will not have any choice to opt the fund from which the partial withdrawal of units is to be done.

### Option to Switch Between Funds - Only under the Investor Selectable Portfolio Strategy

- You have the flexibility to switch units between your investment funds according to your risk appetite and investment decisions, by giving written notice to the Company
- You can make unlimited free switches during the policy term
- The minimum switching amount is ₹ 5,000 or the value of units in the fund to be switched from, whichever is lower
- The Company shall effect the switch by redeeming units from the fund to be switched from and allocating new units in the fund being switched to at their respective unit price

### Premium Apportionment – Only under the Investor Selectable Portfolio Strategy

- Under the Investor Selectable Portfolio Strategy, you can choose to invest fully in any one fund or allocate your regular premium and top up premium into the various funds in a proportion that suits your investment needs. The premium apportionment to any fund must be at least 5%
- You may, at any time, change the proportion of regular premium and top up premium to the funds you wish to invest
- Miscellaneous charge, as mentioned in the Table of Charges given below, will be applicable for change in premium apportionment
- The Company will reserve the right to revise the minimum apportionment percentages upon giving written notice of not less than three months, subject to obtaining clearance from the IRDAI
- Under the Wheel of Life Portfolio Strategy, you will not have the option to choose the proportion. The apportionment of the allocated regular premium and top up premium will be as per the Wheel of Life Portfolio Strategy table

### Option to Change Portfolio Strategy

- You may, at any policy anniversary, change from Investor selectable Portfolio Strategy to Wheel of Life Portfolio Strategy and vice-versa by giving a 30 day prior written notice
- On switching out of the Wheel of Life Portfolio Strategy to the Investor Selectable Portfolio Strategy, the existing funds and the new premiums paid will be allocated in to the funds of your choice
- On switching out of the Investor Selectable Portfolio Strategy to the Wheel of Life Portfolio Strategy, the existing funds and the new premiums paid will be allocated as per the “Years to maturity” based portfolio management mentioned above.

### Option to Change Premium Payment Frequency

You can opt to change your regular/ limited premium payment frequency at any time, to the other frequency (i.e., yearly, half yearly, quarterly or monthly) as long as the existing and requested frequencies can be aligned and subject to minimum premium under the plan on the date of receipt of such request.

The premium payment frequency factors are as given in the table:

Mode	Yearly	Half Yearly	Quarterly	Monthly
Premium Frequency Factor	1	1/2	1/4	1/12

Miscellaneous charge, as mentioned in the Table of Charges, will be applicable for this alteration.

### Top Up Premium

- You can make lump sum investments at any time except during the last five policy years, by paying Top up premiums, over and above the regular / limited premiums payable, provided all due premiums have been paid.
- Top up premiums would be treated as a single premium
- The minimum Top up premium is ₹ 5,000
- The amount of Top up premium paid by you would determine your Top up Sum Assured on your life. The Top up Sum Assured will be 1.25 times of Top up premium paid for the current age less than 45 years and 1.1 times of Top up premium paid for other ages
- At any point of time during the currency of your policy, the total Top up premiums paid shall not exceed the sum total of the regular premiums paid at that point of time
- Each Top up premium paid by you will have a lock-in period of 5 years, except in case of complete surrender of policy, and the lock-in would apply from the date of payment of each Top up premium
- The Company reserves the right to disallow a Top up premium based on the Board approved underwriting guidelines
- If “Wealth Plus Care” variant is opted by the policyholder, Top-up premiums shall be allowed to the extent that base Sum Assured plus Top-up Sum Assured does not exceed ₹ 1 Crore

### Partial Withdrawal

You have the option to make partial withdrawals, any time after the fifth policy year, subject to the following conditions:

- The minimum amount of partial withdrawal at any one time is ₹ 5,000 and in case of minor life partial withdrawal can be made only after the attained age of 18 years.
- The Regular Premium Fund Value should not fall below three times of the Annualized premium after a partial withdrawal.
- Partial withdrawals will be paid by canceling the units at prevailing unit price

- All partial withdrawals will be first made from eligible top up premium fund value, if any, on First in First out (FIFO) basis. Once the eligible top up premium fund value is exhausted, further partial withdrawals will be made from the Regular Premium Fund Value. For the purpose of partial withdrawals, each payment of top up premium shall have a lock-in period of five years.
- The maximum amount of partial withdrawal at any one time is 10% of the total premiums paid, including Top-up premiums paid, if any, as on the withdrawal request date.
- A maximum of two partial withdrawals can be made in any one policy year.
- The total amount withdrawn through-out the policy term cannot exceed 50% of the total premiums paid, including Top-up premiums paid, if any.
- The time interval between any two partial withdrawals cannot be less than 3 months.
- A partial withdrawal shall be disallowed if it results in termination of the policy contract.
- The Company reserves the right at any time and from time to time to vary the minimum/maximum value of units to be withdrawn, maximum number of withdrawals allowed during a policy year, maximum amount of total withdrawal allowed during the policy term, minimum time gap to maintain between two withdrawals and/or the minimum balance of value of units to be maintained after such partial withdrawals, by giving written notice of three months in advance, subject to prior approval from IRDAI.

## Settlement Option

- You will have the option to receive the maturity benefit in installments payable yearly, half yearly, quarterly or monthly, spread over a maximum period of 5 years
- The first instalment of the maturity benefit will be payable on the date of maturity of the policy
- The amount paid to you in each installment will be the outstanding Fund Value as at that installment date divided by the number of outstanding installments
- Installment payment will be made by redeeming units from the funds at the unit price applicable on the installment date
- Investment risk during the settlement period will be borne by you
- No risk cover will be available during the period of the settlement option
- Only Fund Management Charge shall be deducted during the period of the settlement option.
- Alternatively, the policyholder will have an option to withdraw the Fund Value completely, anytime during the period of settlement option. The Fund Value will be calculated as the total number of outstanding units in the policy multiplied by the unit price as on date of complete withdrawal.
- During the period of settlement option, on receipt of intimation at the Company's office, of the death of the life assured, the Fund Value as on the date of intimation of death shall be paid to the claimant and the Policy will terminate

## Tax Benefit

Premium paid, maturity benefit, death benefit and surrender benefit are eligible for tax benefits as per extant Income Tax Act, subject to the provision stated therein.

You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy

### PRODUCT TERMS AND CONDITIONS UNDER "WEALTH PLUS" & "WEALTH PLUS CARE" VARIANTS

## Non-Payment of Premiums

#### a. If premiums have been discontinued during the first 5 policy years

- i) A notice will be sent to you within 15 days after the expiry of the grace period. You will have to intimate the Company about exercising one of the following two options within 30 days of receipt of such notice:
  - 1) Option I - Revive the policy or, in writing, agree to revive the policy within the revival period by paying all due premiums and subject to the revival conditions, OR
  - 2) Option II - In writing, intimate the Company to surrender the policy without any risk cover and receive the Discontinuance Value (as surrender benefit) at the end of the Lock-in period of 5 policy years
- ii) Till the expiry of the notice period of 30 days (i.e. the date of discontinuance) or till you exercise one of the options, as mentioned above, whichever is earlier, the policy shall be treated as in-force with all risk cover by deduction of all applicable charges under the policy.
- iii) If Option I is chosen and you have not revived the policy before the date of discontinuance, the policy shall be converted to a Discontinued Life Policy without any risk cover and the Regular Premium Fund Value less the Discontinuance/Surrender Charge plus the Top up Premium Fund Value, if any, will be transferred to the Discontinued Life Policy Fund. You will receive the Discontinuance Value as surrender benefit at the end of the lock-in period of 5 policy years or revival period, whichever is later.
- iv) If Option II is chosen, the policy shall be converted to a Discontinued Life Policy without any risk cover and the Regular Premium Fund Value less the Discontinuance/Surrender Charge plus the Top up Premium Fund Value, if any, will be transferred to the Discontinued Life Policy Fund. You will receive the Discontinuance Value as the surrender benefit at the end of lock-in period 5 policy years
- v) If the Company does not receive any intimation in writing from you about your preferred option before the date of discontinuance, it shall be deemed by the Company that you have exercised Option II. The policy shall be converted to a Discontinued Life Policy without any risk cover, and the Regular Premium Fund Value less the Discontinuance/Surrender Charge plus the Top up Premium Fund Value, if any, will be transferred to the Discontinued Life Policy Fund. The Discontinuance Value shall be paid as the surrender benefit to you at the end of the lock-in period of 5 policy years

#### b. If premiums have been discontinued after the first 5 policy years

- i) A notice will be sent to you within 15 days after the expiry of the grace period. You will have to intimate the Company about exercising one of the following three options within 30 days of receipt of such notice:
  - 1) Option A: Revive the policy or, in writing, agree to revive the policy before the end of the revival period by paying all due premiums, subject to the revival conditions, OR
  - 2) Option B: In writing, intimate the Company to surrender the policy and receive the surrender benefit under the policy as on the date of receipt of such intimation OR
  - 3) Option C: In writing, intimate the Company to continue the policy as a Paid-up policy with reduced Paid-up Sum Assured, subject to deduction of all applicable charges. Any additional rider cover(s) will cease immediately, and Loyalty Additions or Fund Booster will not be allocated once the policy is converted to a paid-up policy. Under "Wealth Plus Care" variant, in case of a paid-up policy, the Income Benefit will not be available and no mortality or morbidity charges will be deducted for the same.
- ii) Till the expiry of the notice period or the revival period or receipt of intimation of surrender request as per Option B above or receipt of intimation to convert as paid up policy as per Option C above, whichever is earlier, the policy shall be treated as an in-force policy with all the benefits as per the terms and conditions of the policy, by deduction of all applicable charges under the policy.
- iii) If you intimate to surrender your policy as per Option B above, then the surrender benefit under your policy as on date of receipt of such intimation, will be paid immediately.
- iv) If the company does not receive any intimation before the Date of Discontinuance; then, on the Date of Discontinuance, the Policy will be terminated and the Surrender Benefit shall be paid immediately

- v) If you have chosen Option A, then, during the revival period, your policy will be treated as an in-force policy with all available risk covers including riders, by deduction of all applicable charges under the policy. At the end of the revival period, if the policy has not been revived, the surrender benefit under the policy as at the end of the revival period will be paid immediately.
- c. In case of premium discontinuance, on death or on first diagnosis of Cancer (as the case may be only under "Wealth Plus Care" variant) of the life assured, the Discontinuance Value as on the date of intimation of death or first diagnosis of Cancer (only under "Wealth Plus Care" variant), shall be paid as benefit and the policy will terminate.

## Revival

A policy which has been discontinued due to non-payment of premiums can only be revived subject to following conditions:

- a. The Company receives the request for revival from you within 2 years from the date of discontinuance of the policy provided the policy is not terminated already
- b. You submit such information and documentation as may be requested by the Company at your own expense.
- c. The policy may be revived on the original policy terms & conditions, revised terms & conditions or disallowed revival, based on Board approved underwriting guidelines.
- d. On revival of the discontinued policy,
  - The policy will be revived restoring the risk cover, loyalty addition and Fund Booster.
  - All the due but unpaid premiums will be collected from you without charging any interest or fee.
  - The discontinuance value of the policy together with the amount of discontinuance/ surrender charge (without any interest) as deducted by the Company on the date of discontinuance of the policy, shall be restored to the chosen fund split into regular premium fund value and the top up premium fund value, if any, in the same proportion as it existed on the date of discontinuance, at their prevailing unit price
  - The Premium Allocation Charge and Policy Administration Charge, as applicable during the discontinuance period shall be deducted from regular premiums paid or from the fund at the time of revival.
  - The Loyalty Additions due-but-not-allotted during the period the Policy was in Discontinuance shall be added to the Regular Premium Fund Value.

## Computation of Unit Price

The Unit Price of the fund shall be computed as the market value of the existing investment held in the fund plus value of current assets less value of current liabilities and provisions, if any, divided by the number of units existing on the valuation date. This calculation will be done before creation/redemption of units.

## Force Ma'jure

- a. The Company will value the funds on each day that the financial markets are open. However, the Company may value the funds less frequently in extreme circumstances external to the Company, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company feels that certainty as to the value of assets has been resumed. The deferment of the valuation of assets will be with prior consultation with the IRDAI.
- b. The Company will make investments as per the investment mandates given above. However, the Company reserves the right to change the exposure of the fund to money market instruments to 100% only in extreme situations external to the Company, keeping in view market conditions, political situations, economic situations, war/ war-like situations, terror situations. The same will be put back as per the base mandate once the situation has corrected.

c. Some examples of such circumstances mentioned above are:

- When one or more stock exchanges which provide a basis for valuation for a substantial portion of the assets of the fund are closed otherwise than for ordinary holidays
- When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the remaining policyholders
- During periods of extreme market volatility of markets during which surrenders and switches would, be detrimental to the interests of the remaining policyholders
- In the case of natural calamities, strikes, war, civil unrest, riots and bandhs
- In the event of any force majeure or disaster that affects the normal functioning of the Company
- If so directed by the IRDAI

d. You shall be notified of such a situation if it arises.

- Miscellaneous charge upto a maximum of ₹ 200 per transaction
- The morbidity charges under "Wealth Plus Care" variant are guaranteed for 5 years and can be reviewed thereafter
- Rider charge will be as per the Rider terms and conditions

The Company shall give a notice of 3 months for any change in charges. In case you do not agree with the modified charges you will be allowed to surrender the policy at the then prevailing unit value. Discontinuance/ Surrender charge will be applicable if you surrender during the lock-in period, otherwise, not.

## Termination

This policy (and the risk cover, in cases specifically mentioned) shall terminate on the earlier occurrence of either of the following events:

- on payment of discontinuance value
- the Fund Value is lower than the sum of applicable charges
- the units in the policy are fully surrendered and Surrender Value has been paid
- on the date of intimation of death of the life assured under the "Wealth Plus" variant
- on the date of intimation of death or on first diagnosis of Cancer of the life assured under the "Wealth Plus care" variant, if Income Benefit is not triggered

- on payment of the last instalment of Income Benefit under the “Wealth Plus Care” variant. However all risk covers under the policy will terminate once the Income Benefit is triggered
- on maturity date, unless settlement option has been opted
- on expiry of the period of settlement option, if opted

## Grace Period

A grace period of 30 days for yearly premium payment frequency and 15 days is available for monthly premium payment frequency.

## Free Look Period

Within 15 days [30 days in case this policy is issued under the provisions of IRDAI Guidelines on Distance Marketing<sup>^</sup> of Insurance Products] of the receipt of this policy, you will have the option to review the terms and conditions of the policy and if you are dissatisfied to any of the terms & conditions, you will have an option to return the policy document by giving the Company a written notice, stating the reasons for objections. You shall be entitled to a refund comprising the premium allocation charge plus charges levied by cancellation of units plus Fund Value, at the date of cancellation of units less the proportionate risk premium for the period the life assured was on cover, expenses incurred on medical examination and stamp duty charges.

<sup>^</sup>Distance Marketing is done through website and tele calling.

## Suicide Claim Provision

In case of death of the life assured due to suicide within 12 months from the date of inception or the date of latest revival of the policy, and the Company's liability shall be limited to the extent of the Fund Value, as on the date of death. Any charges recovered subsequent to the date of death shall be paid back to the nominee along with the death benefit.

## Definitions

- Fund Value:** The Fund Value is equal to the total number of units pertaining to regular/ limited premium, Top-up premium, Loyalty Addition and Fund Booster existing in each fund under a policy multiplied by the respective unit price on the relevant valuation date
- Regular Premium fund value:** is equal to the total units in respect of regular/limited premiums paid under this policy multiplied by the respective unit price on the relevant valuation date and
- Top up Premium fund value:** is equal to the total Units in respect of top-up premium under this policy multiplied by the respective unit price on the relevant valuation date.
- Paid-up Sum Assured:** Paid-up Sum Assured means a proportion of the Sum Assured, where the proportion is the ratio of the total number of Regular Premiums paid to the total number of Regular Premiums payable under the Policy
- Unit Price:** Market value of investment held by the fund plus value of current assets less value of current liabilities and provisions, if any, divided by number of units existing on Valuation Date. This calculation will be done before creation / redemption of units.
- Discontinued Life Policy Fund:** is the fund maintained by the Company that is set aside and is constituted by the Fund Value of the Discontinued Life Policies determined in accordance with the “IRDA (Linked Insurance Products) Regulations, 2013” and any subsequent modification made therein by the IRDAI.

**Discontinued Life Policy Fund: Risk Profile – Low SFIN: ULIF07026/03/13DISCONLIFE116**

On the date of discontinuance/surrender of the policy before the lock-in period of 5 policy years, the Fund Value less the discontinuance/ surrender charge as on the date of discontinuance/ surrender of the policy shall be moved to the Discontinued Life Policy Fund. The portfolio allocation of the fund is as given below.

### Portfolio Allocation:

Money market instruments	0% to 40%
Government securities	60% - 100%

### g. Discontinuance Value:

1. The Discontinuance Value of the policy will be higher of:
    - a) The Fund Value less the discontinuance/surrender, as on date of discontinuance/surrender accumulated at the rate of return earned on the Discontinued Life Policy Fund net of fund management charge
    - b) The Fund Value less the discontinuance/surrender charge, as on date of discontinuance/surrender accumulated at the guaranteed rates of investment return net of fund management charge. The guaranteed rate of investment return is 4% p.a.
  2. Unless death/first diagnosis cancer (as the case may be only under "Wealth Plus Care" variant) of the life assured has happened earlier, the Discontinuance Value shall be payable to the policyholder after the lock-in period of 5 policy years or at the end of revival period, as the case may be, however-
    - a. under "Wealth Plus" variant, on death of life assured during the period of Discontinuance, the Discontinuance Value as on the date of intimation of death at the Company's office shall be payable &
    - b. under the "Wealth Plus Care" variant, on death or diagnosis of cancer of the life assured during the period of discontinuance, the Discontinuance Value as on the date of intimation of death or first diagnosis of cancer at the Company's office shall be payable.
  3. The current cap on Fund Management Charge on the Discontinued Life Policy Fund is 0.50% per annum, as per the "IRDA (Linked Insurance Products) Regulation, 2013".
  4. The FMC and the guaranteed rate of investment return as mentioned above, for the calculation of the discontinuance value may change from time to time as per the IRDAI guidelines.
- h. Valuation Date:** We aim to value the funds on each day the financial markets are open. However, we may value the funds less frequently in extreme circumstances, where the values of assets are too uncertain. In such circumstances, we may defer the valuation of assets for up to 30 days until we feel that certainty as to the value of assets is resumed. The deferment of valuation of assets will be with prior consultation with the IRDAI.
